

Arizona Charitable Tax  
Credit for the Working Poor  
Donation Form

This tax credit provides a dollar for dollar tax credit and lowers the amount you pay when you make a contribution to an agency that qualifies as serving the working poor. (For example, if you owe \$1000 in Arizona State Tax and make a \$400 dollar donation to the working poor, you will only pay \$600 in taxes, or it will increase your refund by \$400)

**NCADD Phoenix qualifies within the state as an agency serving the Working Poor**

When filing a joint return, you may qualify for **\$800 (per couple)** or **\$400 (per individual)** on your Arizona tax returns.

You can take advantage of this opportunity and participate in other tax credit programs, including the school tax credit.
