

Roadshow for Volunteers and Volunteering Organisations:

Your responsibility in safeguarding children

About the presentation:

Child Matters and Community Networks Aotearoa are jointly delivering a nationwide roadshow providing presentations to volunteers and volunteering organisations.

This roadshow will provide education and information to those in the volunteering and community sectors to assist in understanding roles and responsibilities when engaging with children and provide access to resources to assist in developing safe child protection systems and environments.

This presentation is aimed at:

- Volunteers
- Community sector organisations
- Community organisation Board members

Date **7 June 2017**

Time **11am—12:30pm**

Location **Invercargill**

Cost **Free**

To enrol click [here](#)

Presentation outline:

- Introduction to the Vulnerable Children Act (2014) and how this impacts on volunteers and volunteering organisations
- The importance of organisational child protection policies and how to implement these to keep children, volunteers and community groups safe
- Overview of child abuse in NZ
- Understand the role we play in keeping children in their communities safe
- Provision of reference material to support the development of Child Protection Policies, safety checking and safe working practices
