This form will be retained in the individual’s personnel file.

Sub-Section 3. Employee Responsibilities.

(a) Each Employee’s Responsibility. The RST encourages employees who may have a problem with alcohol or other substance abuse to seek voluntary rehabilitation. This step is available to employees through the Employee Assistance Program (EAP) as well as other referral sources. While at work (including breaks), employees shall not be in an impaired condition.

(b) Prescription Drug Use. Employees who are using prescription drugs have the responsibility to self-report this usage to their immediate supervisor if such usage might result in impairment of any sort.

(c) Refusal to be screened for drugs. It is a violation of this policy for an employee to refuse a substance screening ordered by a supervisor. Refusal to be screened for drugs also includes, but is not limited to, failure to provide a sample and failure to appear for screening. The RST will treat any Refusal to Screen as insubordination and as a positive test, which may result in disciplinary action up to and including termination.

(d) Tampering. It is a violation of this policy for an employee to tamper with or attempt to tamper with any screening specimen. Any tampering may result in disciplinary action, up to and including termination.

(e) On-Call and Off Duty Employees. Employees paid to be “on call” may not consume alcohol or use illegal substances during “on call” hours. Whether off duty or “on call”, it is the employee’s responsibility if called back to work to advise the supervisor if the employee reasonably believes he/she would violate RST’s Drug and Alcohol-Free Workplace Policy by reporting for work. It is a violation of this policy to return to work in an
impaired condition or to fail to advise the supervisor of the employee’s impaired condition.

(f) Reporting of Criminal Drug and Alcohol Conviction/Charges Required. Any employee charged with or convicted of a crime involving drugs or alcohol shall report the charge or conviction to his or her immediate supervisor, in writing, within five (5) days of the conviction or receipt of a copy of a charge. Failure to report a conviction, receipt of a charge, or the disposition of a charge is a violation of this policy. The supervisor will evaluate each drug or alcohol conviction for job-relatedness and impact to the employee’s essential job functions and determine appropriate discipline.

(g) Responsibility of Co-Workers. When an employee observes or has reasonable grounds to believe that another employee is impaired during working hours or engaging in activities during working hours involving an intoxicant prohibited by this policy, the Resources Director.

Sub-Section 4. Supervisor’s Responsibilities.

It is the responsibility of all Directors to understand and comply with the RST Drug and Alcohol-Free Workplace Policy in its entirety. Supervisors are responsible for knowing which job classifications the RST designates as ‘safety sensitive positions’ for their work area and to ensure that employees are referred for appropriate substance screening. Human Resources Director will arrange training for all Directors on how to tell if an employee is under the influence of drugs or alcohol at least once a year by our local Law Enforcement officials.

Sub-Section 5. Substance Screening Process.

The RST reserves the right to conduct regular testing. Upon notification that a drug test is to be administered, the employee must immediately leave the job result in immediate disciplinary action up to and including termination. Any or all of the following testing options apply:

(a) Pre-employment Testing. All prospective employees must submit to the drug testing policy but will only be asked to submit to a test once a conditional offer of employment has been extended and accepted. Any final offer of employment by the RST is conditioned on the prospective employee testing negative for illegal substances. No prospective employee may begin work until test results are received by the Human Resources Director. If the tests are positive, the applicant will be refused
employment and may not reapply for an RST position for at least sixty (60) days.

(b) Post-Accident Testing. All RST employees involved in any workplace traffic accident (either on or off the Reservation) involving an RST-owned vehicle must be tested for drugs and alcohol. Post-accident testing will be conducted as soon as possible after such accident and the driver must remain available for testing or they may be considered as ‘refusal to test’. If an employee has been criminally charged with driving under the influence of drugs or alcohol, whether on or off work, and the employee’s position requires driving a tribal vehicle or operating heavy equipment, the employee’s driving privileges shall be revoked until such a time as any charges are either withdrawn, dismissed or the employee is found not guilty. The inability of the employee to regain a valid driver’s license may result in termination of employment.

(c) Random-Testing. Employees are subject to random drug and/or alcohol testing at least once a year or as required in the discretion of the Director. Random Drug Testing will be done by the Human Resources Director. Employees whose positions require them to perform safety sensitive duties and/or require a commercial driver’s license may be subject to random drug testing at a higher incidence than other employees.

(d) Reasonable Suspicion Testing/Searches. Directors may require employee testing if they have reason to believe an employee is under the influence during working hours. ‘Reasonable Suspicion of Impairment’ includes but is not limited to: bloodshot eyes, lack of coordination, odor of an alcoholic beverage, erratic behavior, unexplained significant deterioration in job performance, unexplained or excessive absenteeism and reasonably reliable reports by other employees. Supervisors are required to document all observations and information that create “Reasonable Suspicion” that the employee is impaired. The RST also reserves the right to search an employee’s person, work area or personal property upon ‘reasonable suspicion’ that the employee in violation of policy.

(e) Return to Duty and Follow-up Testing. When an employee has violated the RST Drug- and Alcohol-Free Workplace Policy, testing will be conducted prior to allowing return to work. If an employee is allowed re-entry into their position, a minimum of six (6) follow-up tests will be conducted over the first 12-months of reinstatement and frequent follow-up testing may continue for a period of at least two (2) years. Tests are
unannounced and a confirmed positive, including ‘refusal test’, will subject the employee to disciplinary action up to and including termination.

Sub-Section 6. Testing Procedures/Standards.

Any test for drug or alcohol abuse will be conducted using reasonable procedural safeguards along with confidential reporting to the employee’s immediate supervisor and the Human Resources Director. Testing results will be made available to the employee or applicant.

Sub-Section 7. Consequences of Policy Infractions.

Any employee whose alcohol or drug test is positive or who refuses to have the test administered is considered in violation of the RST Drug- and Alcohol-Free Workplace Policy. Any or all of the following steps may be taken by the RST.

   a. Positive Tests by Employees who are NOT “Regular Full-Time and/or Part-Time RST Employees” is immediate termination.

   b. Initial Positive Test for Regular Full-Time and/or Part-Time RST Employees.

      1. Upon receipt of positive test results, there shall be an immediate fifteen (15) (working) day suspension without pay and without eligibility for use of accrued sick or annual leave for this period.

      2. Employee is required to schedule a mandatory assessment/counseling within fifteen (15) days after onset of the suspension or the suspension will be revoked and a termination will be effected. Any cost of participation in an RST designated assessment/counseling program shall be borne by the employee. Depending on the outcome of the assessment, the agency (including the RST Employee’s Assistance Program (EAP)) shall, with the consent of the employee, communicate ‘recommendations’ to the employee’s immediate supervisor and the Human Resources Director. If the employee declines to sign a ‘release of information’ agreement authorizing release of the assessment to the immediate supervisor, the employee shall be terminated.

      3. If medically advised during an extended treatment period, up to an additional thirty (30) days of leave may be allowed, at the discretion of the employee’s immediate supervisor. Accrued sick and/or annual leave may be used by the employee for this extended treatment period. If positive
test results are obtained during this period, the employee’s immediate supervisor will be notified by the treatment facility and the employee will be immediately terminated. The ‘release of information’ agreement shall cover the release of positive test results during this extended treatment period as well as the mandatory assessment results per (2) above.

**(a.) Second Positive Test for Regular Full-Time and/or Part-Time RST Employees.**

Employee that has had two positive test results within a two-year period of time is automatically terminated and the employee will not be allowed back to work for at least 6 months and when they do come back they will be required to follow 5. e. above.

**Sub-Section 8.** Managerial Training. The Human Resources Director is responsible for ensuring that all employees are trained in this drug and alcohol policy. Directors must participate at least annually in required training in order to ensure compliance with all RST drug and alcohol policies. Failure to comply with this management requirement will result in disciplinary action up to and including termination. See #4 above.

**Sub-Section 9.** Challenging Procedures.

Should the employee reasonably question the validity of any testing procedure, he/she must advise the tester to save the specimen for re-testing and submit such request in writing and within three (3) days of receipt of the results of the disputed test to the Human Resources Director. The Human Resources Director may confer with the employee’s immediate supervisor whether or not to approve a re-test.

If approved, the testing will be performed at the employee’s expense and the employee must pre-pay for the test before the test will be scheduled. Re-testing will not be approved routinely but only when circumstances and facts seem to warrant such a measure and only if the same sample can be used. Disciplinary on sequences of the initial positive test will not be modified unless and until the initial result is shown to be incorrect.
ARTICLE V. PAY AND WORK PRACTICES.

SECTION A. Check Distribution and Pay Periods.

All employees are paid on a bi-weekly basis (26 pay periods), unless contract specifications require a different pay schedule. A pay period is eighty (80) working hours. All wages/salaries are approved by Budget and Finance and Tribal Council (or the appropriate committee) and are subject to the appropriate budget.

Sub-Section 1. Pay Period. A pay period is eighty (80) working hours unless specified differently by Personnel Action (PA) or Contract.

Sub-Section 2. Payroll Deductions. Each employee receives a statement which itemizes the gross pay, allowable federal and state tax withholding(s), and any individually-authorized deductions such as loan payments, rent, etc. No more than 50% of the employee’s net pay may be earmarked for deductions. If an employee resigns or is terminated, all applicable, deductions will be taken out of their final paycheck or annual leave payment.

Sub-Section 3. Paycheck Errors. Any employee who believes there is an error on their paycheck must report it to the Payroll Manager prior to the receipt of their next paycheck.

SECTION B. Overtime/Compensatory Time.

Sub-Section 1. Overtime (Non-Exempt Employees) is earned in accordance with pertinent provisions of the Fair Labor Standards Act (FLSA) but overtime compensation is modified to meet tribal and departmental budgetary limitations. Non-exempt employees working more than their regular workweek will be credited time and one-half for hours worked in excess of forty (40) hours in any workweek.

This compensation may be as additional salary (providing program funds are available) or, alternatively, awarded as compensatory time (when budgeted overtime is not available). Each workweek (generally, Thursday through Wednesday but may vary as approved for departments who have established their own pay practices) stands alone and time may not be averaged over any different time period. Time away from work on paid leave (annual leave, sick leave, holidays, or other paid leave) will not be counted as hours worked in the calculation of time and one-half overtime/compensatory time for that work week. Overtime must be authorized in advance by the employee’s immediate supervisor and so noted on the timesheet. The RST wishes to minimize the amount of overtime worked by its employees and any and all overtime/compensatory time must be approved in advance by the immediate Supervisor if this is not followed overtime/compensatory time will be disallowed.
Sub-Section 2. Compensatory Time (Non-Exempt Employees). If overtime work is required of a non-exempt employee (including work on an officially designated leave day) and no funds are available under the program budget, compensatory time may be awarded for non-exempt staff at the same time and one-half equivalent. Compensatory time shall be used as soon as possible, but no later than the end of second pay period following the pay period in which it was earned and cannot be used before it is earned. Such compensatory time off must be at a mutually acceptable time for employee and supervisor. In no instance can compensatory time exceed an accrued ceiling of twenty (20) hours within one week or forty (40) within one pay period and if the compensatory time off cannot be taken within the established time frame, it will be forfeited.

Sub-Section 3. Exempt Staff. Directors are considered exempt employees and therefore ineligible for overtime/compensatory time for any hours in excess of forty (40) hours/week required by their position responsibilities.

Sub-Section 4. 24/7 Departments. Directors for 24/7 Departments can allow for Comp Time as needed and can be changed accordingly for their employees’ dependent on what their budgets and shifts dictate.

Sub-Section 5. Travel/Training Time. If non-exempt employees are required to spend time in travel status and in attending training sessions as part of their job requirements, they may claim only their regularly scheduled hours while on such approved travel/training. If an employee is drawing per diem for approved travel, they are not eligible for any overtime/compensatory time with the exception that, if approved travel time falls on a weekend, the employee may claim their first day of travel as overtime/compensatory time. If an employee on approved travel/training and drawing per diem who does not attend training sessions/meetings they will be required to repay all advanced funds given to them for that travel.

Sub-Section 6. Overtime/Compensatory Time Upon Termination of Employment. Upon termination of employment, accrued overtime will only be reimbursed if paid overtime is allowed, and it was designated as Overtime at the time earned in general, by the applicable program. Accrued, but un-used, compensatory time will not be reimbursed.

Sub-Section 7. Rotating Shift and 24/7 Departments. Rotating shift and 24/7 Departments may adopt special schedules that specifically define when overtime/compensatory pay starts within a period. Such schedules must be approved by the Human Resources Director who shall recommend approval/disapproval to the Tribal President. Any accrued compensatory time must be used within the same RST fiscal year or it will be deemed forfeited. (No Waivers)

SECTION C. Timesheets.
Timesheets for Directors must be signed by the Tribal President or his/her designee. Timesheets for all other employees must be signed by the employee’s immediate supervisor and any deviations from normally scheduled work times must be initialed. Timesheets must be submitted according to the accounting schedule of the Finance Office. A copy of the timesheet and supporting leave documents will be given to the Human Resources Department so leave may be verified and recorded.

1. **Work Day/Week.**

   **(a) Regular Schedule.** A normal workday falls between the hours of 8:00 am and 5:00 pm. Employees are expected to work a full eight (8) hours/day. The RST workweek is calculated from Thursday through Wednesday. Rotating shift and 24/7 Departments may deviate from the normal workday/week policy by adopting a special work schedule approved by the Human Resources Director who shall recommend

   **(b) Flex-Time w/n the Same Pay Period.** In special instances (e.g. extraordinary family care requirements, required evening meetings), employees, both exempt and non-exempt, may request flexi time dependent on the department needs and budget. Employees must obtain approval for flex-time before taking the time and such approval does not extend for longer than one pay period. For non-exempt employees, pre-approval must be obtained from their immediate supervisor with the concurrence of the Human Resources Director. For exempt employees, pre-approval must be obtained from the Tribal President and reported to the Human Resources Director.

**SECTION D. Lunch and Breaks.**

Employees receive one unpaid hour off for lunch, usually from 12:00 pm to 1:00 pm. Employees should check with their supervisor to deviate from this time and supervisors retain the right to request a different schedule in order to provide adequate coverage for their Department. Employees may take two fifteen-minute paid breaks each day - one in the morning and one in the afternoon.

These breaks can also be used as smoke breaks for those employees that smoke. Rotating shift and 24/7 Departments may deviate from the normal lunch/break schedule, as required by the duties of the Department. Any employee who abuses the noon hour lunch break twice in one pay period will be required to clock in and out for their lunch break until further notice. Tardiness coming back from lunch will be treated like as being late to work.

**SECTION E. Attendance and Punctuality**
If an employee is going to be absent or late, the supervisor must be notified fifteen minutes (15) prior to the scheduled arrival time. **No one may call in for the employee unless it is an extreme emergency.** Employees who are tardy will be docked annual leave in quarter hour increments. (For example: an employee will forfeit a quarter hour annual leave for late arrival of 15 minutes will forfeit 30 minutes for 16 minutes and so forth.) Employees may not clock out earlier than 5:00 pm unless authorized to do so by their supervisor. Leave slips will be completed for any occurrence relative to tardiness and/or early departure. Employees who are repeatedly late for work or who otherwise work less than the required amount of time are subject to disciplinary action up to and including termination. Employees failing to call in will be placed on “Absent w/o Approval” status.

**SECTION F. RST Time Clock Requirements.**

Each employee is required to have a record of hours worked in all RST departments using the web-based time keeping system, the following regulations will apply:

1. Employees are required to clock in prior to their assigned start time, and must clock out when they go off duty at their designated area using their fingerprint or a Pin. If their fingerprint cannot be read by the Time Clock, then a Pin will be assigned to that employee and will be entered into the Time Clock. If there is a problem with the time clock, employees should notify their supervisor immediately and the supervisor will direct the employee to the next appropriate time clock station.

2. Employees who are assigned a PIN to punch in and out of the time clock system may not give their PIN number to another employee to clock in or clock out for them. If this should happen and is verified that this has been done possible disciplinary action may be taken by the Director.

3. Employees are required to clock out any time they leave the work site for any reason other than assigned work duties.

4. Employees must clock in and out at their designated time clock assigned to them.

5. If an employee has a missed punch for not clocking into our out of the timekeeping system, the employee should notify the supervisor as soon as possible. The Director will manually enter the employee’s work hours via the Director’s time clock portal. Employees who repeatedly miss time clock entries will be subject to disciplinary action.

6. Depending on each department’s procedures, time recorded will be the work-time paid or employees will be paid from time sheets verified by actual
recorded times. Any adjustments to the recorded time must be approved by the employee's supervisor. Supervisors will be accountable to their department directors for any manual changes submitted.

7. Unless a department is utilizing a system with an automatic lunch deduction, employees must clock out for their designated lunch time. All employees are free to leave their designated work sites for lunch.

8. Employees are not required to clock out for designated break times.

9. Employees who have worked time in excess of 40 hours per week will be paid time-and-a-half (or accrue comp-time at that rate) for all time exceeding 40 hours.

10. Except in emergency circumstances, prior permission to work overtime should be approved in writing by the department director.

11. Directors are free to use discretion in disciplinary actions when employees have various, repeated, offenses to the timekeeping policy or procedure. Situations include when employees may have clocked in, but are repeatedly absent from their workstations during work hours or have missed time clock entries in addition to working unscheduled overtime. Please refer to the Rosebud Sioux Tribe Human Resources Ordinance Disciplinary Action Section for direction on the appropriate disciplinary actions.

12. Any employee or employee group exempt from time clock requirements shift status employees and community station base field workers who are not near a time clock must be approved in writing by the HR Director with such exemption filed in both the Finance Office and the Human Resources Department.
13. Absent w/o Approval. The RST believes it offers a variety of generous leave options that are workable for its employees. Therefore, excessive and unplanned leave - whether accrued or on leave w/o pay status - may render the employee subject to disciplinary action up to and including termination. Unless there are exceptional extenuating circumstances, an employee’s failure to inform their immediate supervisor of their reason for absence maybe construed as job abandonment and a voluntary resignation.

14. Other pay practices are set forth according to the accounting schedule established by the Finance Office.

ARTICLE VI. Employee Benefits

SECTION A. Holidays. The following holidays are designated by the RST Tribal Council as paid leave for all employees in tribal service:

- New Year’s Day (January 1st)
- Martin Luther King Day (Monday following January 15th)
- President’s Day (as designated by RST President) (February)
- Honoring Spirit Camp Day | March 29 (Proclaimed a Holiday)
- Memorial Day (as designated by RST President) (May)
- Tribal Elder Day (4th Saturday in May)
- Indian Day (June 25th)
- Independence Day (July 4th)

- Labor Day (1st Monday in September)
- Native American Day (as designated by RST President)
- Veteran’s Day (November 11th)
- Thanksgiving Day (4th Thursday and Friday in November)
- Christmas Day (December 25th)

Any other day as designated by the RST President.

Sub-Section 1. Those holidays falling on Saturday will be observed on the Friday preceding and those falling on Sunday will be observed the following Monday.

Sub-Section 2. Non-Exempt Employees Required To Work on Holiday. Any non-exempt employee who is required to work on a designated holiday earns time and a half for work in accordance with the Departments budget, if the funding is not available for overtime then you can earn comp time for a Holiday.) You cannot build up Holiday days to use at later dates, you have to follow the Comp Time Policy which states you use within the current pay period or the next pay period or you forfeit the hours. NO WAIVERS!
Sub-Section 3. Eligibility for Holiday Pay When on Leave Status. In order to receive pay for a recognized holiday, an employee must be on approved “paid leave” (sick/annual) status on any workday immediately preceding or following the holiday.

Sub-Section 4. Part-time and Temporary Employees Pro-Rata Pay. Regular part-time employees are paid for holidays in proportion to the number of hours normally worked each day. Temporary full-time or part-time employees will be paid for any holiday that falls within their hire period in proportion to hours normally worked.

SECTION B. Annual Leave. Regular full-time and part-time employees are granted annual leave in accordance with the guidelines established below:

Sub-Section 1. Accrual Chart

<table>
<thead>
<tr>
<th>Years Worked</th>
<th>Full Time</th>
<th>Part Time</th>

<tbody>
<tr>
<td>1 to 3 Completed</td>
<td>4 Hours</td>

<td>6 Hours</td>
<td>3 Hours</td>

<tr>

<td>8 Hours</td>
<td>4 Hours</td>

</tbody>
</table>

Sub-Section 2. Calculation of Years of Service. It is the responsibility of the employee to timely notify their immediate supervisor if they believe themselves to be eligible for a change in annual leave accrual status. Personnel will begin from what they have documented and there will be no retro-active time allowed. The employee’s immediate supervisor, in consultation with the Human Resources Department, will calculate “years of service” based on each year of employment and will notify Payroll of the change in accrual. “Years of service” are calculated by cumulating years of employment in a particular program. These reporting procedures may be changed by the Human Resources Director as changes in circumstances warrant, such as the development of improved payroll software. If you were an elected official, you cannot claim that as employment (service) time with the Rosebud Sioux Tribe. If you were employed by a Chartered Entity you will not be able to claim as employment (service) time with the Rosebud Sioux Tribe. You cannot count continued service if you are moving into a position within the same department because it is a different job with different pay. If it was an in-house transfer, you are basically ending one position and beginning another position.

Sub-Section 3. Policies related to Accrual and Use of Annual Leave.
a. Regular part-time employees who work at least thirty (30) hours/week are entitled to accrue annual leave on a pro-rata basis (see Accrual Chart above). Part-time employees working twenty (20) or less hours/week and temporary employees do not earn paid annual leave.

b. Non-accrual Periods. The accumulation of non-pay status hours during a leave year can affect the accrual of annual leave and sick leave. (See 5 CFR 630.208(a).) For example, when a full-time employee with an 80-hour biweekly tour of duty accumulates a total of 80 hours of non-pay status from the beginning of the leave year (either in one pay period, or over the course of several pay periods), the employee will not earn annual and sick leave in the pay period in which that 80-hour accumulation is reached. If the employee again accumulates 80 hours of non-pay status, he or she will again not earn leave in the pay period in which that new 80-hour total is reached. (This means that a full-time employee who is in the 6-hour annual leave accrual category and who has accumulated 80 hours of non-pay status in the last pay period of the year will forfeit 10 hours of leave accrual in that pay period.) At the end of the leave year, any accumulation of non-pay status hours of less than 80 hours is zeroed out so that the accumulation for the next leave year starts at zero. For part-time employees, leave accrual is pro-rated based on hours in a pay status in each pay period; thus, time in non-pay status reduces leave accrual in each pay period containing such time. (5 CFR 630.303 and 5 U.S.C. 6307). Annual leave and Sick Leave cannot be earned when an employee has worked less than 40 hours per week or 80 hours per pay period assuming the employee has not reached the 80 hours of non-pay status.

c. Any new or terminating employee who begins or ends their employment during any fractional part of the pay period will have leave pro-rated accordingly. New employees will have leave accrued as of date-of-hire but cannot use any accrued leave in the first ninety (90) days of employment.

d. Annual Leave Ceiling. The maximum of one hundred and sixty (160) hours of annual leave is allowed to be carried from one fiscal year to the next year. Any annual leave over the limit of 160 hours if not used prior to the end of the fiscal year can be paid out prior to the new fiscal year. The Directors should try to allow the employees take their time if possible. Each department will have an annual leave line item. This shall include Directors of 24/7 Programs.
e. Pay-Out on Separation from Employment. Upon separation from employment, the employee will be paid for any accrued, but unused, annual leave at their current rate. An employee who terminates employment during any fractional part of the pay period will have leave pro-rated accordingly. Payout is subject to any debts owed to the Tribe, payroll deductions approved and signed by the employee, and availability of funds based on contractual/grant budget limitations. Upon the death of an employee, all compensation and benefits due will be calculated and paid to the personal representative of the deceased employee’s estate, as designated in writing by the employee. It is the employee’s responsibility to complete a personal representative designation form and keep it current. Upon separation from employment if an employee is filing a grievance once they ask for their annual leave payout their grievance is null and void.

f. Advance of Leave. Under no circumstances, will annual leave be advanced to the employee. If an employee is absent from work in excess of their accrued annual leave within any pay period, an adjustment will be made to their paycheck. No employee will be allowed to apply “future” accrued leave to this deficit.

g. Substitution for Sick Leave. Employee will not be allowed to substitute sick leave for annual leave at any time. If annual leave is exhausted, then sick leave may be approved with certification of illness from a physician or medicine man or if no certifications can be provided then it will be leave without pay.

SECTION C. Sick Leave. All regular full-time employees earn four (4) hours of sick leave per pay period. Regular part-time employees, who work twenty 30 hours/week or more earn sick leave on a pro-rata basis. When periods of illness exceed twenty-four (24) hours or three (3) days within a pay period, further use of sick leave requires a certification of illness from a physician or medicine man. Sick leave claims not properly substantiated will be disallowed.

Sub-Section 1. Notification Requirements. All employees must call in to their immediate Supervisor at 8:00AM the first day of illness, if employee is incapacitated and cannot call in for themselves they then can designate someone to call in for them and state the reason.

Sub-Section 2. Validation. Sick leave is subject to approval by the employee’s immediate supervisor and may be used when an employee is incapacitated by sickness or injury, for medical, dental, optical diagnoses, counseling or treatment or when an employee’s attendance jeopardizes the
health of others. Sick leave may also be used to care for the below listed members of the employee’s family:

- Father or Mother (including step)
- Husband or Wife or Common-Law Relationship
- Son or Daughter (including step or adopted)
- Grandparents, Grandchildren

Sub-Section 3. No Pay-Out for Accrued Sick Leave. There is no ceiling imposed on sick leave. However, upon separation from employment, there is no pay-out for any accrued or unused sick leave.

Sub-Section 4. Non-accrual Periods. Sick Leave can be accrued if employee does not exceed 40 hours while on any leave w/o pay or absent w/o leave status.

Sub-Section 5. Pro-rated Sick Leave. Any new employee who begins or ends their employment during any fractional part of the pay period will have sick leave pro-rated accordingly. However, new employees cannot use any accrued sick leave in the first ninety (90) days of employment without a physician’s statement that such leave is necessary.

SECTION D. Bereavement Leave.

Regular full-time employees who have a death of a family member (listed below) will be awarded up to three (3) days employee’s immediate supervisor, an additional two (2) may be awarded for special circumstances:

- Father or Mother (including step)
- Husband or Wife or Common-Law Relationships
- Brother or Sister (including step or half)
- Son or Daughter (including step or adopted)
- Grandparents, Grandchildren
- Hunka Relationships

Bereavement leave for other 1st degree family members (listed below) may be granted by the employee’s immediate Supervisor, with the concurrence of the Human Resources Director:

- Uncle, Aunt, Nephew, Niece
- Father-in-law, Mother-in-law
- Brother-in-law, Sister-in-law
- Cousin
Employees wishing to take bereavement leave for any death other than for family members listed above will be required to use annual leave.

Up to eight (8) hours of bereavement leave, or a longer period of time as authorized by the employee’s immediate supervisor, with the concurrence of the Human Resources Director, will be granted for employees serving as an active pallbearer, cook, color guard, or clergy in any single occurrence. Appropriate documentation may be required by the supervisor or Human Resources Director as appropriate.

SECTION E. Cultural and Religious Observance Leave.

The RST shall make reasonable accommodations for a regular full-time employee to attend religious observances. Except as set forth in Section C below, a request must be put in writing, and approved by the employee’s immediate supervisor with the concurrence of the Human Resources Director. RST employee shall only take leave as a sun dancer or as supporter.

1. An RST Employee shall not take both leave within the same year. If an employee needs more time off, employee must use appropriate leave. (No Waivers)

   a. An employee may be granted up to four (4) working days of paid leave/year if he/she is a participant of a sun dance or vision quest or any religious observance. Additional leave may be granted by the employee’s immediate supervisor but must be taken as annual leave.

   b. An employee who serves as a ‘supporter’ of a sun dance, vision quest or other religious observance may be granted up to four (4) working days of paid leave/year if the employee has been officially assigned to provide support as: cook, grounds keeper, cedar keeper, fire keeper or security. Verification of assignment must be in writing from the Spiritual Leader.

2. Employees who are members of the Sicangu Lakota Warriors or any other Veterans Organizations may be granted appropriate administrative leave for participation in funerals, pow-wows, graduations, memorials and all other such events on and off the RST reservation. Such leave is granted at the discretion of the Tribal President or his/her designee pursuant to a written request of the employee seeking such leave.

3. Up to four (4) working days of paid leave will be granted for religious observance leave (per year) for all religious denominations but not limited to such. This leave may be authorized for other regular employees at the discretion of their immediate supervisor.
SECTION F. Jury Duty.

Regular Full-time employees who are required to fulfill court-ordered (Tribal, Federal, State, district, municipal or other local court) jury duty are eligible for full pay during the Notification must be given to the employee’s immediate supervisor in accordance with the following:

1. The employee must submit to his/her immediate supervisor the formal notice of required appearance and a copy of this document must be attached to the employee’s time sheet(s) for this period of absence.

2. Regular Part-time employees are eligible for up to two (2) weeks paid jury or witness duty in proportion to the number of hours normally worked each day.
