Smart Clip-on

LAMP

This modern, clip-on portable lamp is a great companion for crafting or reading. It can easily clip onto a book, needlework frame, table or laptop. The flexible arm directs the light where you need it most. This daylight LED light delivers high contrast, accurate colour matching, low heat and the flexibility that you request.

Easy to pack up, take with you, set up and use wherever, whenever and however you need.

Two ways to charge:

- Internal rechargeable battery
- USB cable from your computer or phone charger
- USB power adapter is available seperately (U60001)
