

RMH/ICR National Clinical and Scientific Annual Meeting On Lymphoid Malignancy

10th and 11th September 2019

Venue: Royal Marsden Education and Conference Centre, Stewarts Grove, London. SW3 6JJ

Organising Committee: Dr Bhuey Sharma (*Consultant Radiologist, RMH*), Dr Sunil Iyengar (*Consultant Haemato-Oncologist, RMH*), Dr Dima El-Sharkawi (*Consultant Haematologist, RMH*), Dr Joel Cunningham (*SpR Haematology, East of England*), Hannah Holmes (*Administrator*) and Helen Mee (*Meetings of Excellence ltd*)

Day 1: Tuesday 10th September

09.30 Registration and coffee

10.30 Meeting Concept

Chair: Dr J. Cunningham, SpR, East of England

10.40 PET in lymphoma: important clinical/ scientific data aspects; the SIHMIR paradigm shift

Dr B. Sharma, Consultant Radiologist, RMH & Expert Adviser NICE Centre for Guidelines (CfG)

11.30 **Keynote invited lecture. The positioning of radiotherapy in the optimal management of high grade lymphomas in 2019+**

Professor Peter Hoskin, Consultant Clinical Oncologist, Mount Vernon and University of Manchester

12.30 Follicular lymphoma - identifying the bad players

Dr J. Okosun, Clinical Scientist/Honorary Consultant, Barts Cancer Institute

13.00 Lunch

Chair: Dr D. El-Sharkawi, Consultant Haematologist, RMH

13.45 Clinical application of genetics in lymphoid malignancy

Dr S. Iyengar, Consultant Haematologist, RMH

14.15 T cell lymphomas. Key diagnostic interpretive pitfalls

Dr A. Attygalle, Consultant Histopathologist, RMH

15.15 Epidemiology, LPD and 2nd cancer risk

Dr A. Sud, Academic Clinical Fellow, St George's Hospital

15.45 Coffee

16.00 T-cell MDM cases

Dr J. Cunningham, Dr S. Iyengar, Dr A. Attygalle, Dr K. Vroobel, Dr B. Sharma, Dr M Cross, Dr C. Dearden, Dr D. El-Sharkawi, RMH

17.30 **International lecture: State of the art management of T cell lymphomas**

Dr Steven Horwitz, MSKCC, New York, USA

Chair: Dr Claire Dearden

18.30 – 20.00 Evening Reception

****Early Bird Offer** - register before
31st May for just £80 (£100 thereafter
for both days)**

CPD accreditation applied for

RMH/ICR National Clinical and Scientific Annual Meeting On Lymphoid Malignancy

10th and 11th September 2019

Venue: Royal Marsden Education and Conference Centre, Stewarts Grove, London. SW3 6JJ

Organising Committee: Dr Bhuey Sharma (*Consultant Radiologist, RMH*), Dr Sunil Iyengar (*Consultant Haemato-Oncologist, RMH*), Dr Dima El-Sharkawi (*Consultant Haematologist, RMH*), Dr Joel Cunningham (*SpR Haematology, East of England*), Hannah Holmes (*Administrator*) and Helen Mee (*Meetings of Excellence ltd*)

Day 2: Wednesday 11th September

08.30 Registration and coffee

08.55 Introduction

Chair: Dr S. Iyengar, Consultant Haematologist, RMH

09.00 Meet the Expert. Marginal zone lymphomas, including GI MALT

Dr A. Wotherspoon, Consultant Histopathologist, RMH

10.00 Waldenstroms, complications, treatments

Dr D. El-Sharkawi, Consultant Haematologist, RMH

10.30 Multiple myeloma – when should diffusion weighted imaging be clinically used, 2019+

Dr C. Messiou, Consultant Radiologist, RMH

11.00 Coffee

11.15 **Keynote invited lecture. Update. Molecular biology of large B cell lymphomas**

Dr K. Burton, SIHMDS, Leeds

12.15 Update. CAR-T cells in lymphoma

Dr Emma Nicholson, Consultant Haematologist, RMH

12.45 Lunch

Chair: Dr B. Sharma, Consultant Radiologist, RMH

13.30 Meet the Expert. CLL, molecular biology, prognosis and treatment paradigms 2019

Dr C. Dearden, Consultant Haematologist, RMH

14.15 Scientific sessions

Dr J. Cunningham, SpR, East of England

15.00 Complications, toxicities

Dr N. Tunariu, Consultant Radiologist, RMH/ ICR Drug Development Unit

15.30 Coffee

15.45 B-cell MDM cases

Dr J. Cunningham, Dr S. Iyengar, Dr A. Wotherspoon, Dr B. Sharma, Dr M. Cross,
Dr D. El-Sharkawi, RMH

17.00 Close

****Early Bird Offer** - register before
31st May for just £80 (£100 thereafter
for both days)**
