PARTNERS in EXCELLENCE.
Pine Crest is an extraordinary school, however, words cannot do justice to everything it is because it is a journey. It is the passions that students discover, the friends they make, and their exposure to new ideas. Pine Crest is a place where unique opportunities abound, where students find support to try something different and get better at something they love. It is a place of history and tradition but at the cutting edge of 21st century education.

The Pine Crest Fund: A gift of exceptional opportunities

To be the school that offers the exceptional, our challenge is to continue to plant seeds of educational opportunities for your children, our students, through new teaching methods, new programs, and an evolving curriculum that keeps pace with a rapidly changing world. Having the best and most innovative learning environment ensures we will also attract the highest quality faculty, giving students the opportunity to benefit from their knowledge and mentoring.

Every year we rely on the tradition of annual, charitable, tax-deductible giving. Contributions to The Pine Crest Fund help us attract some of the nation’s best faculty while offering students the finest academic programs and most diverse experience possible.

All gifts to The Pine Crest Fund are used during the year they are given, so they make an immediate difference to our students’ daily experience.
The Pine Crest Fund is a partnership with parents, faculty, staff, and friends that supports all aspects of the Pine Crest experience. The Pine Crest Fund directly helps us offer innovative programs and learning activities that set Pine Crest apart from other schools. Things like:

- The Institute for Civic Involvement (ICI), a center for service learning and political activism that teaches students leadership skills as they become global citizens.
- The Science Research Program that enables students to conduct college-level research in a teacher-guided, yet independent setting.
- The Robotics program, helping students learn not only how to build and program robots, but effective teamwork and problem solving.
- The Video, Film and Broadcasting Production Program.
- Outstanding performing and visual arts programs, with theatrical productions, musicals, ballets, short plays, and concerts.
- Diverse athletic programs with over 60 major sports teams, some of which have achieved state championship status.
- Playgrounds designed to refine and enhance sensory and motor skills.
- Outside organic gardens and animal habitats used as natural classrooms.

Keeping the circle strong

We recognize the sacrifices families make to offer their children a high-quality education at Pine Crest School. Yet, your gifts to The Pine Crest Fund serve a critical role in providing your children with more programs, more resources, more opportunities to discover their passion, and for you to be a true partner in excellence.
WAYS to GIVE.

Simply complete and enclose a matching gift form indicating your method of payment. Checks should be made payable to Pine Crest School. Our 2013-14 Pine Crest Fund begins July 1 and ends June 30.

You may double, and sometimes triple, your dollars if employed by a company that matches gifts. Simply complete and enclose a matching gift form, which usually can be found on your company’s website, or you may obtain one from your HR Department.

Pine Crest hopes that you will make a gift to The Pine Crest Fund this year and every year. Every gift, no matter the size, is important and vital.
