

Charms Login Instructions

Charms Office is the system our music department uses to share information, display our calendar, and record fees and payments.

To enter Charms, go to www.charmsoffice.com.

Click on **Enter/Login** and then scroll down to **Parents/Students/Members**.

"Please enter your school code" is listed, and you will enter **arundelhsmusic** and click on **Enter Charms**.

The next screen will ask for **Student Area Password** -- this is your child's school id # if it is your first time signing into Charms. For security reasons, once you have entered Charms using your child's school id# it will prompt you to reset your **Student Area Password**. Charms has made this change to the student area login procedure to help provide better security and privacy for your student information.

Once you have entered the student area, you can access the calendar, view financial information, and update student information. If you have any additional questions please contact arundelmusicboosters@gmail.com or Mr. Burns iburns@aacps.org.
