

BOUNDARIES / EXPECTATIONS

- What is social media?
- What apps or websites do you categorize as social media?
- How do you feel about social media, mostly positive or mostly negative?
- What are some pros and cons for using it?
- What age do you think is appropriate for people to use social media?
- What should people use social media for?
- Do you think social media is safe? Why / why not?
- Is there an alternative to social media that interests you?

CONNECTION

- How much *screen* time do you think is a healthy amount per day?
- How should someone manage their time with screens?
- Do you mostly spend time with other people by texting or other media, or in person?
- What do you prefer, a text, a phone call, or in-person time with someone?
- How would you respond to an invite, text, or chat message from an acquaintance or someone you don't know?
- Do you think it is safe to chat with people on multiplayer games?
- Can you trust that a person is who they say online?
- How do you / would you respond when someone un-follows you?
- Do you think it hurts other people's feelings if you un-follow them?
- Do you want to use social media, or do you feel a more pressured to because everyone else is?

BEHAVIOR

- How would you describe a post that is rude or mean?
- What are some clues that someone is posting indecent or embarrassing content?
- How do you respond when friends show behavior that is rude, mean, indecent, or embarrassing?
- Do you spend time with people who sometimes are rude, mean, indecent, or embarrassing? Why?
- Would your friends ever post anything to hurt your feelings?
- Would your friends stand up for you if someone was posting mean things about you?
- Would you stand up for your friends if someone was posting mean things about them? What would you do?

IMAGES / PERMANENCE

- Some images are inappropriate to post and view. What makes them inappropriate?
- Do you think people need filters to prevent viewing and sharing these kinds of images?
- How do you feel about having a filter on your screen?
- Do you feel tempted to view images that are inappropriate?
- Would you feel comfortable if your parents knew everything you have seen?
- How do you respond when friends are viewing or sharing inappropriate images?
- How does it make you feel to know that every posting is permanent?
- Can posts be erased once they are shared? Can you control who shares things?

CYBERBULLYING

- What is cyberbullying?
- Have you ever been bullied? Cyberbullied?
- Do you know someone who has been bullied or cyberbullied?
- Have you ever bullied someone else?
- What would you do if someone was bullying you?
- How is cyberbullying the same as in-person? Different?

FEELINGS / SELF-ESTEEM / SELF-ACTUALIZATION

- What do you think makes someone a good friend?
- Are you a good friend to others?
- Do you feel your friends are good to you?
- Would your friends spend time with you if you did not use social media?
- Do people mostly use social media because it's fun, or because it's popular?
- Does social media make people feel good about themselves?
- What do you think life was like before social media existed?
- Do you think the risks of using social media outweigh the benefits, or vice versa?
