SOMETHING DIFFERENT

BAYLANDS "GLASGOW SLASHER" BARLEYWINE (500ML, 12%) WELLINGTON 26
Glasgow slasher is Baylands anticipated yearly release of their American barleywine. Barleywine is one of the world's oldest beer styles, originating in England in the 15th century. Glasgow Slasher is fruity, nutty and with sweet malt notes combining with a bitter finish. A decadent syrupy mouthfeel enables it to be shared over dessert.

GARAGE PROJECT ROSE DE LA VALLEE (650ML) WELLINGTON 25
Part of Garage Project's trilogy of beers celebrating the year's grape harvest. At its heart is a crisp pale pilsner infused with freshly crushed pinot noir juice. The beer was then rested on the red pinot skins for 48 hours, just enough time to lend the brew what in Rose parlance is known as "onion skin" orange with a light blush of pink and delightful crisp citrus & strawberry notes

SAUVIGNON BLANC

BLACK BARN HAWKE'S BAY SAUVIGNON BLANC 2011

80

A bright lemon-green colour with a pronounced nose of citrus, lemon zest, green fig and black current leaves all held together by an intriguing floral note. A vivid palate with an engaging concentration of clementine peel, granadilla pulp, Cape gooseberry and melon. Herbal undertones with a complex, chalky minerality compliments the mouth-watering finish.

BLACK BARN HAWKE'S BAY SAUVIGNON BLANC 2006

160

The nose borders on pungent with nettles/herbs, citrus, light floral notes and a touch of melon. It has a fresh but full, rounded palate with classic mineral/herbs, citrus and white peach with a very persistent mineral finish.

BLACK BARN HAWKE'S BAY SAUVIGNON BLANC 2003

160

The colour is a pale straw, showing good condition. The nose delivers the smell of passionfruit flowers and crushed lemonwood leaves, Granny Smith apples and hints of

lychees with a mineral edge. It has quite a full palate with some phenolic grip and flavours that tend to delicate and floral without sacrificing substance. The taste is of limes, Granny Smith apples and passionfruit with a mineral, wet-stone finish.

BLACK BARN HAWKE'S BAY SAUVIGNON BLANC 2002 170

The colour is a light lemon-gold, and the nose is lively, smelling of passionfruit, guava, lemon sorbet and fresh hay. The palate is also crisp and lively but with weight, texture and a lingering aftertaste. It tastes of lemon, white peach through subtle pears, and fresh hay with a mineral finish.

ROSÉ

BLACK BARN ROSÉ 2010 95

Very similar vintage to 2007 lower cropping very good quality but limited volumes. On the nose is berry jam, watermelon, plum, mineral and spice. The mouth is bright with flavours of watermelon and tart cherry. The sweetness of the fruit is chased quickly by bright acidity and a long, deep finish with echoes of lime and tangerine.

BLACK BARN ROSÉ 2007 120

Exceptional vintage across the board, elegant and balanced. The 2007 vintage was rich, ripe, and full of spice and fruit. Aromatics of sage, plum and watermelon, flavours of strawberries and cherries, fresh acidity and a lingering finish.
