VINTNERS OF FINE OLD WINES**

New Zealand Port

House Port 750ml

The House Port is slightly sweeter than the Special Reserve Port. A fine example of younger Tawny Port.

BLENDED PORT

Ideal after dinner, perfect beside the fire and essential to a well-stocked bar. Port is a rich and complex fortified wine with sweet fruit flavours and a velvety texture. Blended Ports range from the 10 year Reserve Rich Port to the Old Tawny, Directors Port which is a blend of 1975 and younger wines. Madeira is slightly lighter sweet, port alternative.
