

WE4 Network™ -
E4 (Educate, Empower, Elevate, Evolve)

Empowering young women and girls in T&T

Goals of the WE4 Network™ -

1. To connect young women and girls (future leaders), to a network of **Mentors** which will comprise of local, regional and international passionate, professional women (and men) to help them achieve their fullest potential.
2. To provide ongoing support and guidance to female students (form 3 and above) as they navigate future career paths and transition to the world of work through sharing of relevant content, in person meets as well as **enriching** webinars and sessions.
3. To create an **online platform** specifically for young girls and women (no age restrictions), where their unique perspectives on certain topics can be shared with the public, utilizing the opportunity to support their development in creative writing, public speaking skills and otherwise.
4. To **strengthen the core and grow the network** each year by collaborating with other non-profit organisations, entities etc. to ensure maximum outreach and impact.
