

Pelham Road Elementary School PTA's

ALL STAR'S ROCK

The ALL STAR'S ROCK is a great way to send a special message Show your school spirit or tell someone "Happy Birthday!"

- Reservations are required via the Sign-Up Genius link on the PTA webpage.
- Dates are available on a first come, first served basis. No businesses, please.
- Cost is \$10 for one day. (4pm-4pm)
- You may paint the rock starting at 4pm the day before your reservation, so it will be ready for the morning carpool line of your reserved date. For example, if your child's birthday is April 18th, reserve that date (April 18) via the sign-up genius. You may then begin painting the rock on April 17th at 4pm in order for it to be ready for morning carpool on the reserved date.
- You may NOT reserve the rock for consecutive days.
- Payment, via Member Hub on the PTA website and the link is provided on the Sign-Up Genius, is required at the time that you make the reservation. ***Payment must be received within 48 hours of the time your reservation is made via the sign-up genius link. If payment is not received within 48 hours, your reservation will be removed and the date will again become available for reservation.***
- Please do not paint the ground or any of the area around the rock.
- Please do not reserve the rock to recognize teachers.
- An adult MUST be present when painting the rock.

Contact Ashley Niles at ReserveAllStarsRock@gmail.com if you have any questions. Sign-up genius will send you an email to remind you as your reserved date approaches.

The ALL STAR'S ROCK is a PTA fundraiser. Funds generated are used to help pay for school programs and improvements. The PTA has the authority to remove/repaint any language or image that is deemed inappropriate.

Helpful tips:

There is a dual primer and paint spray paint that works well. You will likely need 2 cans of spray paint to cover the rock and plus the paint needed for your design. Don't forget to bring a bucket of water and rags with you for cleaning hands and brushes. There is not a water source near the stone. Have fun and be creative! Thank you for supporting PRES PTA!

The ALL STAR'S ROCK was graciously donated to PRES by Ashley and Russ Niles and Garrett and Allison Reed!
