# ABOUT

Jusprudentia- Society for Transcendence in Law and [www.jusprudentia.com](http://www.jusprudentia.com) is pleased to announce “*Jusprudentia Presents H N Bahuguna Social Summit 2018*” *Quest for Change* on 17<sup>th</sup> November 2018(Saturday) with the theme “*Women Empowerment and Gender equality.*” Gender inequalities are still deep-rooted in every society. Women suffer from lack of access to decent work and face occupational segregation and gender wage gaps. In many situations, they are denied access to basic education and health care and are victims of violence and discrimination. They are under-represented in political and economic decision-making processes. Gender equality is a human right, but our world faces a persistent gap in access to opportunities and decision-making power for women and men.

Bringing together aspiring and experienced **visionaries** and leaders of social change and innovation **from different fields, such as Judges, Lawyers, Professors, Political Leaders, representatives, entrepreneurs, artists, philanthropists, Journalists, scholars, teachers, students, civil society and professionals, in order to share brainstorm ideas, launch initiatives, and share an unforgettable experience of solidarity in unfolding our vision for social empowerment** . This Summit is designed to inspire and empower and with the aim of better addressing these challenges, It moves far beyond just talking – it is a carefully designed journey for learning and co-creating our future together. We believe facilitating connection, building capacity, and empowering others to make meaningful contributions are all key ingredients for solving today’s greatest challenges and creating a future where wellbeing is experienced across all of society. It’s a great opportunity to hear them and to connect and collaborate with all and will provide all groups with a platform to share ideas and create concrete strategies for change in the society. The event will welcome more than 1200 Delegates.

Jusprudentia Presents H N Bahuguna Social Summit 2018 is hosted by the Jusprudentia Society for Transcendence in Law at Lucknow. It is an initiative for discussion on bringing about positive social change. It is the flagship annual event and primary public engagement initiative of Jusprudentia with massive potential for research, collaborating community, influencing public policy, and generating a significant positive conclusion and impact. The event is one of its kind, following events on Human Rights and World Peace in 2017 and April 2018.

We explore solutions to the deep causes of complex problems, rather than just the symptoms. The latest knowledge generated from research, practice, and lived experience will be surfaced.

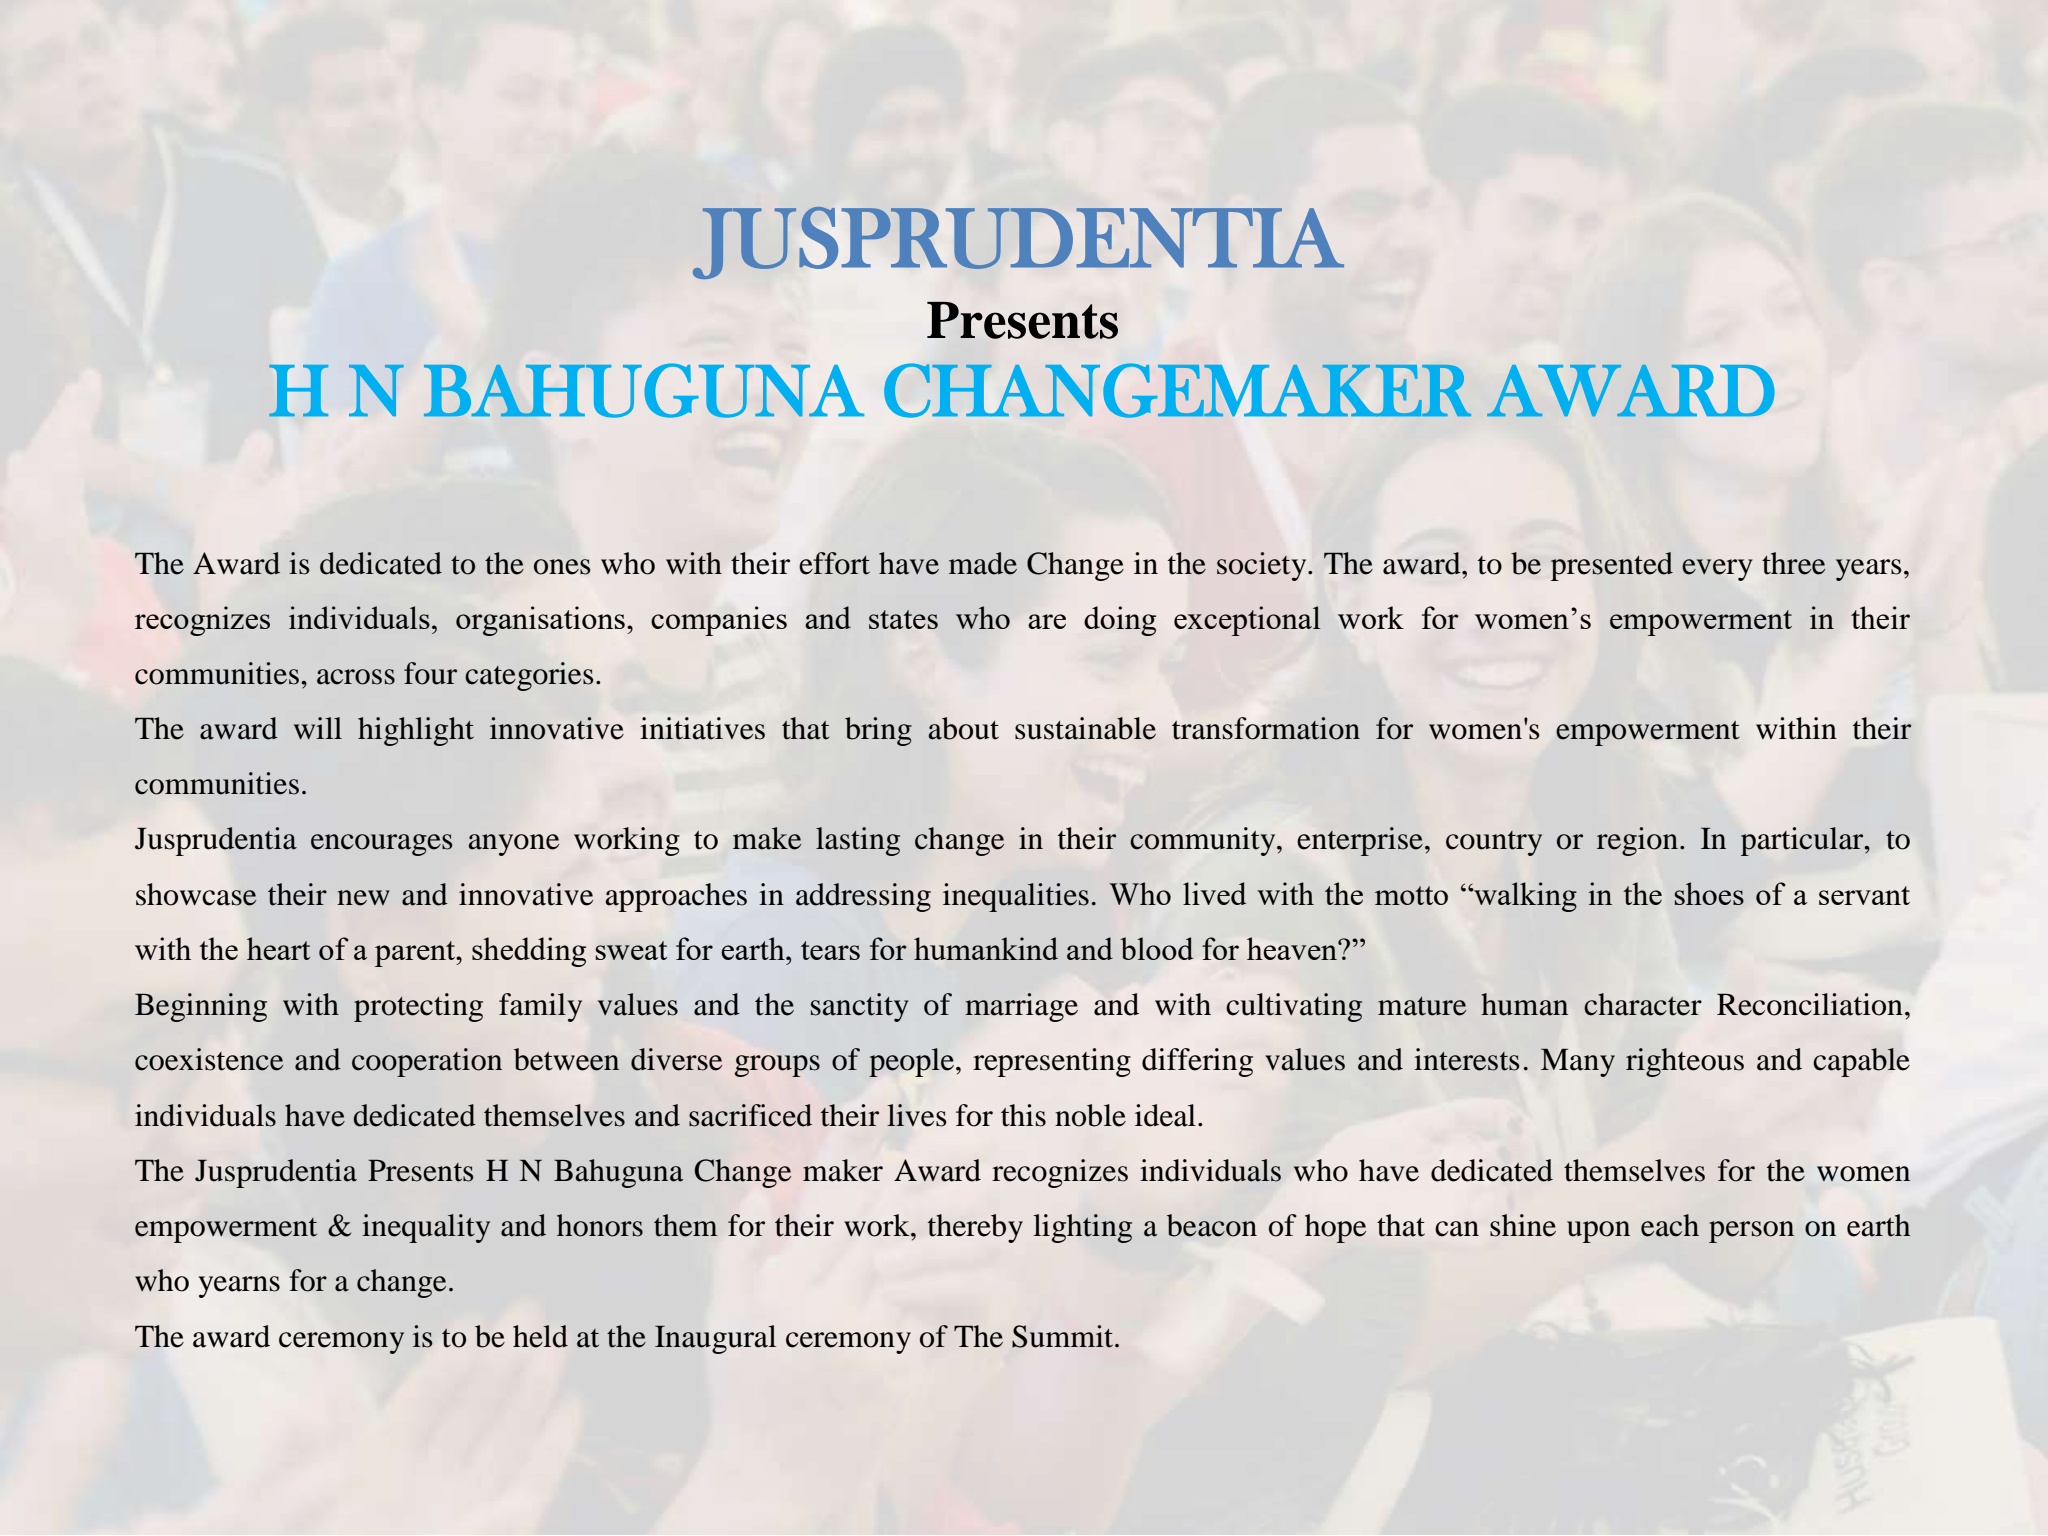

### Late Mr. Hemvati Nandan Bahuguna

*This event is named after Shri. Hemvati Nandan Bahuguna to mark the contribution of the national leader in social change. He was a man of Commitment. He firmly believed in multi-religious, multi-lingual and multi- ethnic fabric of Indian society. Risen in politics from the lowest strata this Patriotic politician eternally detached from all petty selfish motives and refused to compromise with fundamentalism and regionalism. The History of his political life is full of twist and turns but despite the blows of time and fate, he steered the wheel of his lifelike the ever flowing Ganges.*

*Hemvati the son of mountains proved true to his name. He never lost his cool even in the odds emerging off and on in his life. He was one of those few politicians in India who advocated corruption free neat and clean administration. He held important ministerial positions in the Union and state government.*

*We salute to the true son of the soil.*
