## Utterance of Prophecy spoken by Bishop Dennis Lee Brown, Prophet of the Moat High God

### ***“I Do Deal With Thee Saith Thy God!”***

**An Utterance of Prophecy Spoken by Dennis Lee Brown**

**B**ehold those of you that are called by my name, and those of you who are led by my Spirit, I do speak with thee. For what will ye? What will ye say unto Me in the day that I do judge ye for your doings? What will ye say unto me for your ways? Know ye not that I will bring all men into judgment for the things they have done? I will have all men give an account for the things that they in their body, whether it is good or evil. Know you not, saith God that all knees shall bow and every tongue shall confess? Yeah! I do tell thee that every tongue shall confess the Lord whom ye seek. I shall bring into account the things ye have done, saith God.

Now I speak with thee, saith God. I do testify of thee that if ye be willing ye shall eat the good of the land, but if ye drawback, and if ye rebel against my Spirit saith God, I shall judge thee. Yeah, I shall judge the works of all men, and who is it that shall deliver thee out of my hand, saith God? Whom? Whom shall ye run too? To whom do ye put your trust, saith God? Ye seek idols of graven images. Ye build unto yourselves temples and places where ye worship and ye call that my house of worship. Ye do call that place a place for My Spirit, but I tell you that My Spirit does not dwell in places where mans' hand build, saith God. Have ye never read in My Word, that Heaven and Earth are mine? What house shall ye build unto me? No house can hold me saith God. I do not dwell in houses made by mans' hands. Heaven is mine and earth is My footstool.

#### **Summery Exhortation**

This utterance is to all those who are lead by the Spirit of God and are called my His name. God here reasons with His people knowing the Day of Judgment comes for every man and that everyone must give an account for all things done whether good or evil.

God confirms that whoso-ever is willing to do as He say, shall eat the good of the land, prospering in it, but to those who decide to draw-back (*backslide*) in rebellion against His Spirit, He will hold you accountable. He assures us that there is no one powerful enough to deliver us from his wrath and out His hand.

Many people has turned to seek out, searching for and establish idols to worship, along with erecting buildings of so-called worship for Gods' Spirit. There is not structure that can hold God. Heaven is where God abide and earth is His footstool. We have an

Now come unto me all ye that labor. Come and I shall give thee rest. I say unto thee my son “work”, work while it is yet day, for the night cometh and no man shall be able to work. Yea! Look unto the fields for they are white ready to harvest. Yea! They are ready to reap. I tell thee that is My Word saith God. Yes, I have raised thee to be the head and not the tail I have proved thee, and tried thee. But many that I have tried has left their first love and gone after idols and strange flesh. But thee my son be not entangled with the yokes of bondage. Be not overcome with the world. For I am not of this world, saith God. I am not of the darkness of this world.

My Spirit shall not always strive with man. It shall not always deal with man. Now if ye repent, if ye follow after My Spirit, and if ye are lead of my Spirit them shall ye be My sons and My daughters’

I do say to thee My son, people shall not always hear thee. Nevertheless, preach My Word, prophecy unto the nation and say unto it that thy God shall bring judgment to every nation that forget their God. Yeah, I shall bring into every evil spirit and everything that make offence and everything wicked shall I judge, saith God.

Behold, I will pour out of My wrath upon every soul that turns a death ear unto My Spirit. Have ye not heard, “let im hear what the Spirit has to say unto the churches? But many of you that are called by My name will not hearken unto My Spirit. You will not listen, you will not take heed too what My Spirit has to say. Yea, I do deal with thee, saith God. “Hearken” hearken unto My Spirit saith God.

Now My son, set thy face as a flint, gird up your loins quite ye like a man and prophecy to this people and say unto them “WHY WILL YE NOT HEAR ME” Why go ye about as a people that did serve God, but in your hearts ye serve and worship idols. Tell this people who are called by My name to flee from Idols and Idolatry. For I am A jealous God, and I will not have any other god before Me. Yea, either serve the Lord thy God, or serve “Baal”. Yea, speak unto them and say, “WHO IS ON THE LORD’S

invitation to come unto the Lord, He has promised us rest. I have a command from God to “work” while I can in the day, for darkness (*night*) is approaching and no one will be able to labor then. The fields are white, (*souls need be saved – they are ready, therefore I must reap the harvest of souls while I can*).

God has stated, He has tried and proved me to do His will, but many others love waxed cold and they fell away and backslid going after idols and strange flesh.

God has said, “be not entangled with the yoke of bondage or overcome with the darkness of this world because He is not of this world.

Gods’ Spirit shall not always struggle with people it will not keep giving chance after chance to repent and live holy. However, if one repent, turn from our wicked ways and follow after His Spirit, being lead by His Spirit then we shall be His children

God forewarns me that people shall not always hear what He tells me to say. Nevertheless, I am commanded to preach His Word and prophecy to the nation warning them that God will bring into judgment every nation that forgets Him along with all things that make offence and everything wicked.

Because people will not hear the Word of the Lord, He’s said to me

SIDE?” Tell this word, My son, spread it, yeah spread it around the world, for the hold world is full of darkness.

Therefore I Command thee to let thy light shine. Yeah, let it shine et ever the more, saith God. Let the people see thy God through thee. Let thy light glow brighter and brighter. Be not afraid My son. Though many will not hear and hearken unto thee, nevertheless speak My Word... show my people their sins. Warn them in their sins, for if thy God has chosen to do so. I say unto thee my son, work, work while is it yet day, for night cometh and that no man shall be able to work. I have no pleasure that a man perish in his sins. Yea, My son if ye see a man in his sins, and ye warn him not, and he die in his sins, behold, I shall cause thee to give an account. Ye shall have blood on thy hands, because ye would not warn them in their sins. But if ye warn him, if ye speak my Word unto him, and he rebel and die in his sin, then his blood shall be upon his own head.

Yeah, look unto the fields for they are white ready to harvest. Yea! I tell thee that this is my Word, saith God. I have proved thee, and tried thee. For I am not of this world, saith God. My Spirit shall not always strive with a man. It shall not always deal with man. Now if ye turn and repent, if ye follow after My Spirit and if ye be lead by My Spirit then shall ye be My sons and daughters.

Now warn them. Speak My Word unto this way-ward people. Speak boldly unto them that they might hear, turn, and repent. For I am a merciful God, and would rather that all men repent and turn from their wicked ways unto the Lord thy God, tell My people of this Word. Publish it and spread it yet the further. Yea, spread it to the four corners of the world. For I and with thee, saith God. Draw not back unto partition, for I have no pleasure in them that draw back. Go forward with my Word. March forward even into the enemies' camp. Go forward My son. “Go forward,” saith the living God. “Go forward!”

To set my face as a flint (*the hardest kind of rock that are fire starters*) and stand strong like a man and prophecy unto them saying, “Why will ye not hear me.” “Why go ye about as a people that did serve God, but in your hearts ye serve and worship idols.” I must tell you to flee from Idols, flee from graven images and all that you put before God. Either make a total commitment to God or serve “Baal.” I must ask, “Who is on the Lord’s side,” for I must take this message and spread it afar, around the world, because the world lies in obscurity.

Not only am I commanded, but we all who are called by the name of the Lord must let our light, and allow it to shine brighter and glow brighter. People see God through the light His allows to show through them. I cannot allow terror, dread or horror to grip my spirit and heart, I have no choice but to speak the Word of God to his people and the sinner that he don’t parish in his sins. I must warn them in their sins and lead them to God.

Time is winding up and the darkness is approaching. I must go forward speaking and preaching the Word of God, prophesying what He tells me to speak and cast forth. I have to publish this message to everyone and take the Word of God as far as I can and beyond to the farther mot corners of the world.

Dennis Lee Brown,  
Prophet of the Most High God.

The End
