Biography

Debra Toffan is one of Canada's top animation voice and casting directors. With almost 30 years of experience Debra has been awarded 5 Emmys for her work on various series. She has worked on over 60 animated series and Movies, including Arthur, Space Ranger Roger, Total Drama Island, Beyblade and has had the opportunity to direct many established performers such as Joan Rivers, Matt Damon, and Philip Seymour Hoffman, to name just a few. She loves to be able to form and shape an actors voice into something fun and interesting and is still excited by the challenge and inspired by the actors.
