

AFFIDAVIT OF Glenn Schmauder

Name: Glenn Schmauder

My name is Glenn Schmauder. I met Mr. V. Martin (Marty) Warner in 1968 at Washington State University. We were in the same fraternity. I was a groomsman in Marty Warner and Kathy Warner, aka Coral Anika Theill's wedding in April 1976. After their divorce in 1997, I was in communication with Marty Warner for many years. From my conversations with Marty Warner, when I asked about Kathy Warner, aka Coral Anika Theill, Marty Warner told me she had a nervous breakdown and was committed in a mental hospital.

When I learned about Coral Anika Theill's plight in 2012, her disabilities and that she was living under poverty level, I contacted Mr. Warner by phone and asked him to dismiss the Child Support Judgement he had against his ex-wife, Coral Anika Theill, to help lift this burden from her. Mr Warner told me that he would never dismiss this judgement.

I SWEAR THAT THE ABOVE REPRESENTATIONS ARE TRUE AND COFRRECT TO THE BEST OF MY INFORMATION, KNOWLEDGE, AND BELIEF.
