Building Works Update

As you will have noticed there has been some delays in the car parking and flat refurbishment work. Works to existing buildings often identify issues that were not apparent at the design stage and the old Masters' House is a case in point. Our Architects are working at present at resolving the issues and we hope to complete the works to the Car Park in the next two weeks and commence works to the Flats. We are arranging a **Residents Meeting on 22nd November at 11:00 am** to discuss the Contract and, in the meantime, we can only apologise for the delay and disruption to residents and visitors.
