- * If the child has the picture or Bible Verse on their BINGO card, they put a token on it
- * If a Bible Verse is drawn, the child will read the Bible Verse
- * A Jesus BINGO is vertical, horizontal, or diagonal
- * If the Jesus BINGO goes across the FREE spot in the middle, then the child says "God's Grace is FREE" and they get an extra token to put anywhere on their card.
- * Don't clear the cards after a BINGO, continue with all of the tokens on the cards.

Object of the Game: The children will learn more Bible verses and more about God's Love
