 - * If you don't have card stock, you can tape or glue them onto a manilla folder or construction paper
-
- * How to Play
 - * Divide the children into groups of two
 - * Give each group a set of cards
 - * Have them mix up the cards
 - * The cards need to be put face down
 - * They start by picking up a card and then another to see if they match
 - * If they don't match, it's the other child's turn
 - * If they get a match, they keep playing
 - * The groups keep playing until all of the cards match

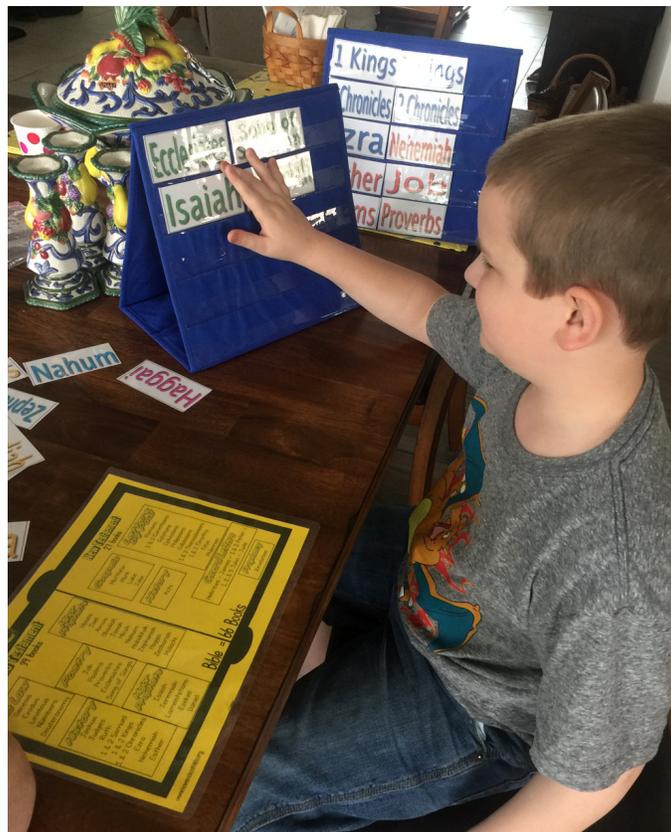

Object of the Game: The children will get to know some of the characters in the Old Testament.

March Center 3 Activity

- * Mix up all of the cards
- * Give a few cards to each child
- * Using the Books of the Bible Chart, have the children give you the books in order
- * Place the books in the triangle card holder using both sides
 - * If you do not have a triangle card holder, simply put the books in order on a table or on the floor.
- * When they are finished, help them read the books of the Old Testament in order
- * Repeat, as time allows

Object of the Game: The children will become more familiar with the books of the Old Testament.
