

I can feel smooth
ornaments.

I can feel the prickly
tree.

I can feel sticky tape on
presents.

I can feel the cold snow
in my fingers.

I can feel excitement as
the day comes.

I can feel the love of my
family.

I can feel the heat from
the fire.

I can feel the crisp air
on a winter's night.

I can feel the warmth of
a soft blanket.

I can feel the soft fur
of my teddy bear.
