ESTABLISHED  
2006

Dear Friends and Alumni:

Twelve short years ago the Friends and Alumni of Lookeba-Sickles Schools, Inc. was established. This means 12 classes of seniors have reached their goal of high school graduation, and many of them their goal of a college degree. **Working together**, every contribution has played a part in the lives and education of our small, but great, country school students.

This year we awarded three \$600 scholarships to deserving graduates. Over a course of ten years that is \$18,000. **Every dime of this money comes from the generosity of caring people like you!** Please take the time to send in your contribution. Any size of donation is appreciated very much and does so much good for the students!

Many friends and alumni send donations in memory of loved ones and friends. We then send a letter to the family telling them a donation has been made in honor of their loved one or friend. You will also receive a receipt whenever you make a contribution. Donations are tax deductible.

If you missed the school reunion this spring, you missed a great night of food, fun, entertainment and reminiscing. Mark your calendars for the next reunion on April 4, 2020. Pictures of the scholarship winners, and other prestigious awards presented at the reunion can be found on the school website. Please check out the L-S Friends and Alumni tab of the Lookeba-Sickles School website at <http://lookeba.k12.ok.us> From the home page, click on the ABOUT tab and select LS FRIENDS & ALUMNI from the drop down menu. This is a work in progress that we hope will be helpful and interesting to all.

**Again, we can't tell you enough how important your donations** are to continue to support our school with projects deemed important for the legacy of our students. We also can't tell you enough how much *we appreciate each and every one of you!*

*Sincerely,*  
*The Foundation Board Members*

Please mail donations to: Denise Hart  
7067 CR 1140  
Lookeba, OK 73053

*Continuing the legacy . . . "Providing excellent educational opportunities  
for Lookeba-Sickle's Students!"*
