

Visit JOWSEY'S

to find out how you can help purchase a **PANDA WARMER**
for the West Coast General Hospital

Integrated scale:

Baby's first weight is available immediately with no delay in care or bed to scale transfer.

Nurses balance human touch with medical technology

Heat where you need it

Warm up with hands-free and no nuisance alarms

Integrated resuscitation equipment

The **Panda Warmer** is a vital piece of equipment for the baby when he or she is born. It allows the baby to be rapidly and safely warmed post birth, and includes an integrated resuscitation package if needed. It's the gold standard in Canada and the US.

Giving back to families – a Jowsey's tradition

Jowsey's Furniture and Mattress has been an iconic family business in the Alberni Valley for more than 70 years. They are known for great furniture, great prices, friendly personal service and their commitment to the community.

This October, Jowsey's is partnering with West Coast General Hospital Foundation to raise money for a Panda Warmer for infants at our local hospital.

This vital piece of equipment, when purchased by the West Coast Hospital Foundation, would stay in the Alberni Valley for local babies. A Panda Warmer keeps babies warm and comfortable. Its sleek design provides medical caregivers easy access to their patient, and its compact size allows more room for both medical staff and family to interact with the baby.

Third generation owner of Jowsey's, Jennifer Norn, says the family has a connection to the hospital as her father served on the hospital board. Now the family is giving again to the hospital.

To raise the funds needed, Jowsey's will donate all their delivery fees for October and they are hosting a silent auction in store with donated items from local businesses and their own suppliers.

Have these helpful guys deliver your purchase at Jowsey's in October and the delivery fee will be donated to West Coast General Hospital Foundation for a Panda Warmer for babies.

QUEEN PANEL BED

A mix of inviting cottage style and vintage charm, this collection will help you create your own private sanctuary. Turned bun feet and traditionally styled hardware highlight the cozy cottage influence in this collection's design. Other details such as the distressed finish and upholstered headboard update these pieces for a look right at home in modern farmhouse inspired homes.

FOUNDATION

"A Foundation for a healthier future. Help us to help you."

The West Coast General Hospital Foundation says "a BIG thank you!" to the staff at **Jowsey's Furniture** for teaming up with us to raise funds for a **Panda Warmer** for use in the hospital's Labour & Delivery unit. **We need your help to reach our goal of \$35,000** for the purchase of this valuable piece of equipment for newborn babies.

The Labour and Delivery team at WCGH are excited about the benefits to babies, parents and medical staff of the new state-of-the-art Panda Warmer. The innovative design and features of this unique baby bed allows easy access to the infant and optimizes care-giving right from the moment of birth. Specifically, the Panda Warmer's "one baby, one bed" design helps keep babies healthy by:

- keeping baby warm and content while keeping caregivers cool and comfortable
- using the integrated in-bed scale, baby is weighed quickly and easily with no interruption in care
- measuring and monitoring baby's vital signs and displaying them clearly on the digital monitor in real time
- being easily adjustable and portable, the infant warmer can be used in both delivery rooms and operating rooms to keep babies warm and monitored
- providing hands-free alarm silence to help keep the environment calm and soothing for families
- being compact in size, medical staff has more room to work and families have better access for contact with baby
- providing integrated resuscitation therapy with minimal set-up for higher risk deliveries

The addition of this brand new Panda Warmer will improve the ease and quality of care our medical staff gives to newborns and will give parents-to-be some peace of mind knowing our hospital has such a vital piece of equipment available for their newborn's care and well-being.

You can help the **WCGHF-Jowsey's partnership** efforts to raise the money needed for a **Panda Warmer** for West Coast General Hospital by considering Jowsey's for your fall furnishing needs. Jowsey's is a family-run business proud to have been serving Port Alberni since 1947. While shopping in Jowsey's beautiful showroom, please stop by the silent auction table and place a bid on one or more of the many items available thanks to contributions to this campaign from several other local businesses.

You can also contribute to the WCGHF-Jowsey's campaign by kindly filling in the donation form at the bottom of this page or you may choose to donate online at www.wcghfoundation.com. No contribution to our goal is too small and donations of \$20 or more will be issued a tax receipt. We also welcome you to stop by the Foundation office at the hospital anytime and chat with Business Director, Chris Francey about other ways you may wish to help the Foundation's work. Or Chris can be reached by phone at 250-731-1370, ext. 48148.

As always, the Board of the WCGH Foundation wishes to acknowledge with sincere gratitude our many individual and corporate donors for your ongoing generosity, making it possible for the Foundation to continue to act as a key fundraiser and advocate for our hospital. Your donations over the past 29 years have allowed the Foundation to purchase numerous and varied equipment items specifically suited to our hospital's needs and to be able to support services and training not covered by ever-shrinking government budgets. With your help, the Foundation will keep working to help provide and protect the best possible health care as close to home as possible, for all residents of the Alberni Valley, from birth to end of life.

"A Foundation for a healthier future. Help us to help you."

Become a WCGHF Member!

Donors who make a gift of \$100 or more to the WCGH Foundation in support of either the Hospital or Westhaven during the Foundation's current fiscal year may apply for membership in our Society. Once membership is approved, you will be entitled to participate in the Foundation's Annual General Meeting in November.

Yes! I would like to make a donation of: \$25 \$50 \$100 \$500 \$1000 \$2000 \$_____

I Wish to make this a monthly donation by credit card or post dated cheques

Name: _____

Address: _____

City: _____ Postal Code: _____

Phone Number: _____ E-mail: _____

Sponsors for Silent Auction

A Silent Auction will be held in Jowsey's store from **October 1st to October 31st**. All proceeds from the auction will be given to the WCGH Foundation towards the purchase of a Panda Warmer for the WCGH Labour & Delivery department. We encourage you to shop at Jowsey's and make a bid on some silent auction items (most of them are over \$100 value) at the same time! Thank you for your support!
