Monday 20th May, 10.30am  
North by Northwest  
You'll need a good level of fitness for this walk which has a height gain of about 100 metres. We'll view some of the industrial heritage of East Cleveland to be found near the Cleveland Way. Our destination is the remains of the Guibal fan house which served Huntcliff ironstone mine.  
Meet at Skinningrove sea front car park TS13 4BJ.  
Terrain: Includes steep climb and descent  
Distance: 4 miles
Duration: 2.5 hours  
**Wednesday 22nd May, 10.30am**  
**Skinningrove Valley Trail**  
A stroll through Skinningrove, taking in aspects of this resilient village's rich industrial and social history. We'll also see how it continues to evolve and develop a new identity.  
Meet at Skinningrove sea front car park TS13 4BJ.  
Terrain: Flat  
Distance: 3 miles  
Duration: 2.5 hours

**Friday 24th May, 10.30am**  
**Steam, Steel and Scenery**  
Walk through the industrial heritage of steam locomotion, iron making, the legacy of people involved in it and views over Kilton and out to sea. Please bring a packed lunch.  
Meet outside Loftus Library.  
Terrain: Includes steep descent and climb  
Distance: 4 miles  
Duration: 4 hrs  
Parking: North Road car park, Loftus
