

Dear Parents and Carers

This week children in classes 2 through to 5 have been learning how to log on to our new computers. All children from Class 1 to Class 5 now have a school email address. This means that they will be able to log on at home. Your child's login details should be on the inside of their reading journal.

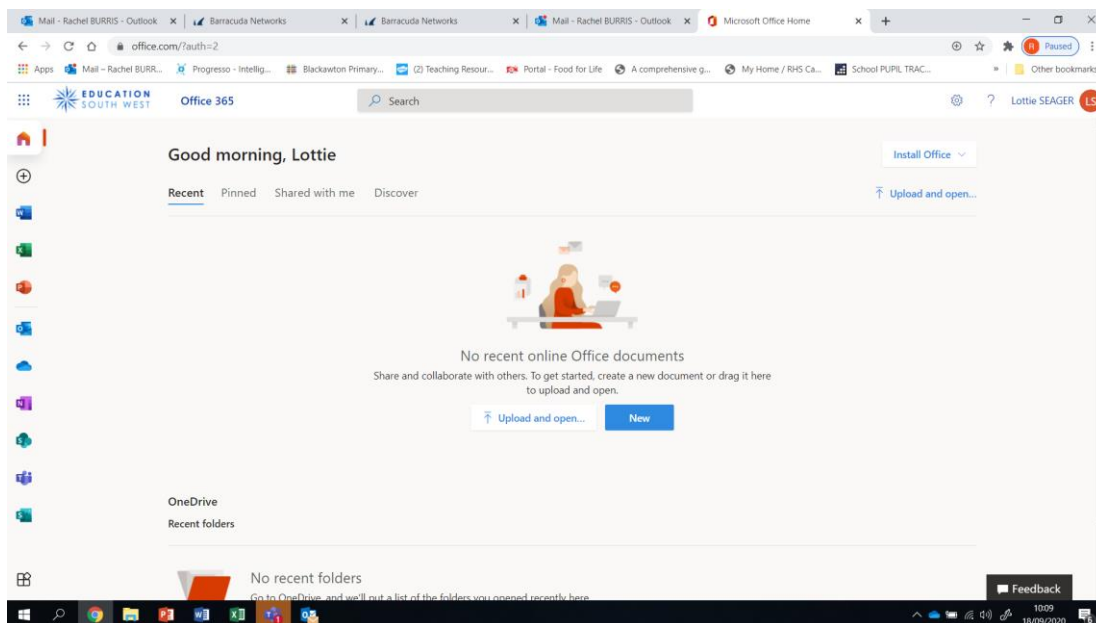

Below are the instructions on how to do this. Please could all children log in to their account at home. Please let us know if you have any problems with doing this.

In your search engine find Microsoft 365

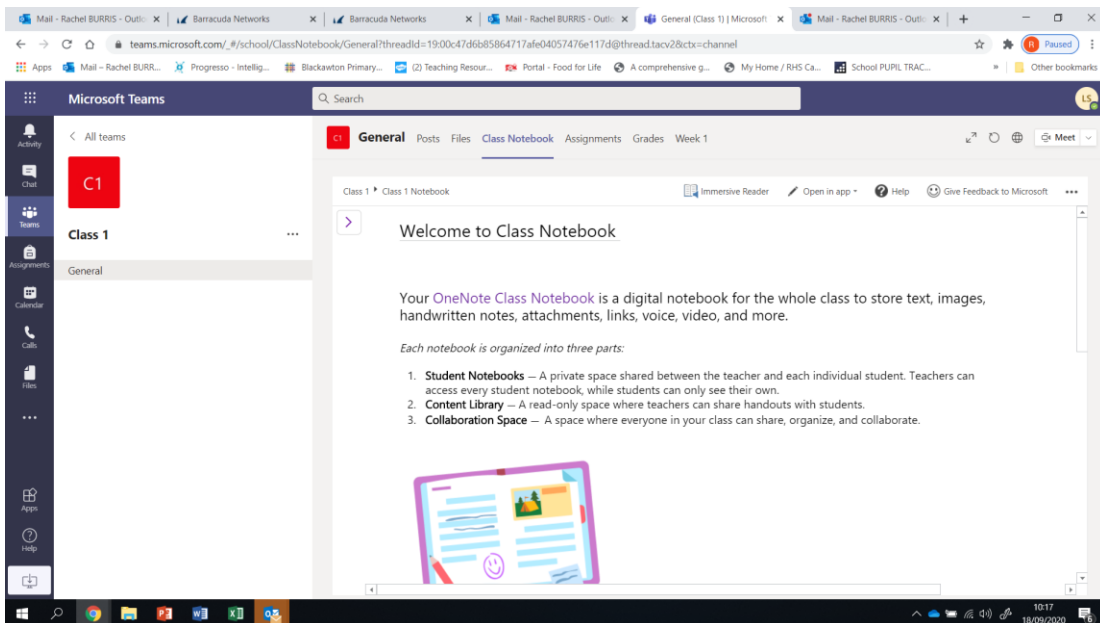

Click on Sign in

Sign in with your child's email address and password.

Click on Teams on the left of the screen

You will be welcomed to your class notebook.

Over the next few weeks we will be finding out more about how we can use Microsoft Teams to set assignments and to communicate with children at home.
