

Subject: FW: Freedom

As a contracted agent for Freedom Health you will need to be Cleared to Market before you are authorized to sell their 2018 plans. Gordon Marketing has everything you need to get you ready.

If you are a new agent and need to certify for the first time click here to register and create a profile.

First Time Agent:

If you have forgotten your password, click the "forgot password" button and a new one will be emailed to you. You may also call 1-877-877-0539 for assistance. Please DO NOT re-register as that will create a duplicate profile impacting your commissions/renewals.

IMPORTANT:

- If selecting AHIP to bypass our Medicare General, you will need to have the certificate in your computer and follow the upload instructions in order to continue. There will be a several minute approval process and then you can proceed to our Plan Specific Training/Testing.
- **AGENTS/BROKERS MUST VERIFY you are "Cleared to Market" before you begin representing the 2018 product.** You will find a YES next to the Cleared to Market flag on your homepage if you are authorized to sell. Final Clearance may take several days following certification to complete background check and state appointment.
- Face to Face Training is required. "OPEN TRAINING SESSIONS" have been offered and can be found on your homepage or in the announcements of the VIP portal.
