- If you have a sick child on the day of the session please call to reschedule. If you try to keep the appointment, we will most likely request that you reschedule if we notice your child is sick. Sick or uncomfortable children do not like to be photographed and we know that you will not love your images nearly as much as if he or she was in good health.
- **Please arrive on time; arriving late could reduce the duration of the session.**
- Please bring only the subjects to be photographed to the session. This is especially important with kids, as Aliana will need their full attention on her rather than looking at other members of the family. Of course parents are always welcome!
- **Personal cameras are not allowed** during your session. Please refrain from taking phone images or video taping. We work very hard to ensure your session is captured artistically and creatively. We ask that you respect our livelihood and refrain from taking photographs of what we are creating.

- Aliana Bruce Photography shall be entitled to use its judgement regarding the style and artistic input in the production of pictures. - While Aliana does capture many images during your session, you will see only those images selected by her, the artist, for previewing. She carefully renders each image to ensure maximum artistry and technical perfection. Images with eyes closed, heads turned, duplicates, etc. will not be shown and are removed from archives permanently after the artist rendering is complete.
