

SUMMER 2019

Camp Cayton offers a unique experience for campers to build, create, and explore. Experienced educators lead an imaginative curriculum complete with art immersion and museum play. Camp Cayton encourages campers to take risks, express themselves creatively, engage with their community, and play their way to a better world.

CURIOUS CALIFORNIA

JUNE 24 - JUNE 28

From San Francisco to San Diego, we're traversing through our golden state! We'll venture through the Redwood Forest, navigate the L.A. River, and explore urban landscapes: this land was made for you and me!

LIGHTS, CAMERA, CREATE!

JULY 1 - JULY 5

Quiet on the set! From costumes and props to special effects, learn the magic behind the scenes. We will explore different genres of film, various literary works, create characters, and tell silly and exhilarating stories.

DYNAMIC DESIGNERS

JULY 8 - JULY 12

Discover architecture and engineering! We will visit timeless and inspiring monuments from around the world. Campers will develop daring designs and experience hands-on model making!

ARTFUL ANTICS

JULY 15 - JULY 19

Express yourself! From cave paintings to cubism, learn visual art fundamentals through painting, sculpture, and mixed media creations. Perfect the principles of line, color, and shape then apply them to your masterpiece!

INTERGALATIC EXPEDITION

JULY 22 - JULY 26

We will travel through galaxies to discover a world beyond our own! Learn about our solar system, build spaceships, and discover other planets. Get ready for sights and sounds that are out of this world!
