Maple Ridge Care Center is a non-profit 501(c)3 skilled nursing facility, dedicated to serving our community. Tax deductible financial and item donations are always appreciated and can be placed by calling our administrator. Thank you for supporting our mission and community.

### Did you know that every two seconds someone in the United States needs blood?

You can do your part to help increase the available blood supply by donating, especially during January which is National Blood Donor Month. You could save up to three lives with just a single pint of blood. Giving blood is relatively painless (less than getting a shot) and it only takes about 75 minutes from registration, to cookies afterwards.

**Why donate?** The US and Canada perform more than 40,000 blood transfusions every day. Blood can't be artificially produced so the entire supply must come from donors.

All human blood may look alike, but you can't donate to just anyone and you can't receive blood from just anyone. Different blood types need to be matched correctly. Some types can be transfused into another type, while others can only be combined with blood of the same type. This contributes to blood being in such high demand for certain blood types.

You might not know that there are four types of transfusable products that can be derived from blood: red cells, platelets, plasma and cryoprecipitate.

Typically, two or three of these are produced from a pint of donated whole blood – hence each donation can help save up to three lives. Donors can give either whole blood or specific blood components. The process of donating specific blood components – red cells, plasma or platelets – is called apheresis.

Visit our blood drive community partner (see box at upper left), or find a drive near you by visiting [www.redcrossblood.org](http://www.redcrossblood.org).

## Facebook posts highlights...

We have the Craft and Bake Sale total: we made \$1,105.85! We had a total of 7 vendors that came from the community that sold their goods for a profit!

Veteran's Christmas Bulb Table was done by Judy Feiertag and family! They raised \$454.00 and donated the money back to the Activity Department for

the music and memory program to purchase our iPods for the residents. Each Bulb was purchased for \$2 and Christmas cards were signed to be sent out to Veterans that are in care facilities in around the surrounding areas. All 170 bulbs will be hung up in the activity department room to be displayed in honor of our Veterans. It is with much gratitude and many loving thanks to Judy Feiertag's Family for their efforts to bless our Residents and to honor our Veterans!

## Thanksgiving at Maple Ridge

Jerry and Lillian enjoy a special Thanksgiving meal with their loved ones. Thank you to everyone who helped make Thanksgiving at Maple Ridge so wonderful!

Mary Ellen Harper and her family on Thanksgiving!
