- **Strong employer contributed and voluntary benefits**
 - Medical, dental, vision, 401k, disability, critical illness, accident benefits
- **Tremendous company culture and paid time off policy**

Who We Are

Tiger Corner Farms is a one of three companies working together, including Vertical Roots and Boxcar Central. All three companies roll up to our parent company, AmplifiedAg. Our mission is to create a global shift in the production, distribution and consumption of leafy greens. We are accomplishing this by innovating a more powerful and efficient way of farming through state-of-the-art technologies. In doing this, we are engaging a new generation of farmers and providing them with sustainable jobs.

What We Do

Three companies under **AmplifiedAg** working together:

- **Tiger Corner Farms** is an indoor aeroponic and hydroponic container farm manufacturer dedicated to building high quality, efficient indoor farms in order to create opportunities for farmers.
- **Boxcar Central** is a technology company that provides the controls and the software needed to integrate, automate, and monitor all aspects of an enterprise farming environment, from seed to sale.
- **Vertical Roots** is a farming operation that currently services 50+ restaurants, four grocery store chains, and 25 local public schools using our technology.

OUR VALUES:

- Precision: Pay attention to every detail
- Respect: We are a family and treat each other with dignity and respect
- Integrity: Be fair, trustworthy and honest
- Quality: Always strive for the best result possible
- Consistency: Do it the right way, every time
- Fun: Have a positive attitude and enjoy
