

## HYDROPONIC FARMERS

Posted 1.15.2019 | [Vertical Roots](#) | Columbia, SC

We're looking for full- and part-time, entry-level farmers in the Columbia, SC area. Farmers are responsible for all aspects of growing leafy greens from our indoor container farms. This includes the day-to-day fulfillment of orders and operation of designated farms.

### What You'll Do

- Responsible for all aspects of growing leafy greens: seeding, packing and delivering for multiple pods
- Responsible for fulfillment of orders
- Responsible for day-to-day operation of pods: cleaning, upkeep and general maintenance
- Loading product and helping with delivery of orders
- Stocking inventory needed to complete daily tasks
- Reporting observations, including plant abnormalities and system issues, to Farm Lead
- Develop and discuss alternative and innovative strategies for indoor farming, food safety, and maintenance

### Must Haves

- Desire to make an impact in the community and passion for sustainability
- Dedication to our mission
- Self-starter, team player, strong communicator
- High attention to detail in an evolving, fast-paced environment
- Ability to consistently lift 20-40 lbs
- Must be available to be "on call" once every 6 weeks (full time farmers)

### Why You Want to Work Here

- Highly competitive wages in our industry
  - Full time: Salaried position, varies based on experience and qualifications
  - Part time: Hourly rate beginning at \$12-13/hour
- Strong employer contributed and voluntary benefits
  - Full time: Medical, dental, vision, 401k, disability, critical illness, accident benefits
  - Part time: 401k, critical illness, accident benefits
- Tremendous company culture and paid time off policy

## Who We Are

Vertical Roots is a one of three companies working together, including Tiger Corner Farms and Boxcar Central. All three companies roll up to our parent company, AmplifiedAg. Our mission is to create a global shift in the production, distribution and consumption of leafy greens. We are accomplishing this by innovating a more powerful and efficient way of farming through state-of-the-art technologies. In doing this, we are engaging a new generation of farmers and providing them with sustainable jobs.

## What We Do

Three companies under **AmplifiedAg** working together:

- **Tiger Corner Farms** is an indoor aeroponic and hydroponic container farm manufacturer dedicated to building high quality, efficient indoor farms in order to create opportunities for farmers.
- **Boxcar Central** is a technology company that provides the controls and the software needed to integrate, automate, and monitor all aspects of an enterprise farming environment, from seed to sale.
- **Vertical Roots** is a farming operation that currently services 50+ restaurants, four grocery store chains, and 25 local public schools using our technology.

### OUR VALUES:

- Precision: Pay attention to every detail
- Respect: We are a family and treat each other with dignity and respect
- Integrity: Be fair, trustworthy and honest
- Quality: Always strive for the best result possible
- Consistency: Do it the right way, every time
- Fun: Have a positive attitude and enjoy
