To Whomever it May Concern,

I'm writing this letter of recommendation on behalf of Elysia Lokes who completed her 120-hour professional TEFL certification with us in January 2019. She reached out to us upon completion of the course after noticing some errors in the course material in regards to things like punctuation, spelling and grammatical inconsistencies.

Elysia provided us with a full audit of our course which we have since implemented bringing the quality of our material up to the high standard we strive to maintain. Her audit report was clear, concise and very well organized in a professional manner.

Elysia has done what two separate paid editors have both failed to complete satisfactorily and as such I believe she deserves commendment and recognition for her talents. I would highly recommend her for any jobs/positions of an editorial nature.

Don't hesitate to contact me at any time with any further questions about the nature of Elysia's work. I can be reached at adam@mytefl.com.

Sincerely,

Adam K.
