**WHAT**
Alameda Corridor-East Project contractors will demolish a vacant industrial building located at 4833 and 4845 Durfee Avenue, south of the railroad tracks as part of the Durfee Avenue Grade Separation Project (see map above).

**WHAT TO EXPECT**
Traffic lanes on Durfee Avenue may be temporarily impacted as needed to accommodate trucks for the demolition and hauling of materials. Access to local businesses will be maintained. Street parking may be affected. Construction equipment will be located onsite during the demolition period. Waste service trucks will make approximately 20 trips from the site to their waste facilities to haul away construction debris and inert materials. Noise, dust and vibration will be monitored for compliance with applicable limits.

**WHEN**
The demolition will commence on **Monday, September 9, 2019** and is expected to continue through **Monday, September 30, 2019**. The dates may be subject to change depending on demolition progress and weather. Most work will occur weekdays between 7 a.m. and 4:30 p.m.
