Applications for Research Stipends Due: Friday, June 19, 2020

For more information and to apply: <https://ardraw.policyresearchinc.org>

The Social Security Administration (SSA) is once again awarding graduate students \$10,000 stipends to research work, rehabilitation, and disability issues through the Analyzing Relationships between Disability, Rehabilitation and Work (ARDRAW) Small Grant Program. The objective of ARDRAW is to foster new analyses of work, rehabilitation, and disability issues, which may develop innovative and fresh perspectives on disability by providing research stipends to a broad spectrum of graduate students.

Applicants must be masters, doctoral, or post-doctoral-level part-time or full-time graduate students pursuing studies in accredited programs at the time of the award (Fall semester of 2020). Selected students will receive a stipend of \$10,000 for the one-year program.
