

Tall Oaks Camp and Conference Center

Martha Pierce, Director

.....is a natural place in which to learn, play, rest, contemplate, share and grow. The mission is to provide a safe haven where spiritual renewal, faith development, leadership formation, education and fellowship are fostered in a setting that welcomes all people and celebrates God's creation.

Perfectly situated between urban and rural areas, our 350 acres of wooded land offer a feeling of seclusion and peace to all who enter. Enjoy the comfort of our lodging spaces while getting to embrace the outdoors. Activities include outdoor swimming, hiking, an OAK (Outdoor Adventures of Kansas) zip line, team building Challenge Course, archery, and customized Equestrian programs.

Summer camp is something that we look forward to all year long! In today's pressure-oriented society, *camp* provides a non-threatening *environment* for America's youth to be active, to develop competence in life skills, to learn about and enhance their own abilities and to *benefit* from meaningful participation in a community designed just for them.

Our facilities are fully handicap accessible with year round lodging and full service dining hall for social, business, and government groups as well as family reunions, weddings, seminars, workshops, day events and so much more.

The Lifelong Learning Center offers conference rooms for up to 200 people and 12 guest suites with private bathrooms capable of sleeping four people per room. For a more simplistic setting, there are various cottages with AC and heating available year-round overnight for smaller groups to gather and relax in a safe and peaceful environment.

Our goals include support of the Christian Church (Disciples of Christ) of Greater Kansas City; its affiliated congregations, and their programs. We serve people of all ages, maintain a secluded atmosphere that promotes preservation of our natural environment, provide clean, well-maintained attractive facilities and grounds, offer well-prepared nutritious meals, and employ well-trained staff and volunteers for programs offered at Tall Oaks.

We are conveniently located just off K-32 Highway, 9 miles west of Bonner Springs, KS. Tall Oaks is just a 30 minute drive from most of the Greater Kansas City area.

We hope that you'll spend some time to navigate our website at www.talloaks.org to learn more about us, our programs, events, and lodging reservations. Call for an appointment to visit!
