Saturday, Dec. 1 at 4:30pm

As a student at One Tribe Martial Arts Academy, I am kicking to generate donations for the victims of the Camp Fire. I will be doing at least **200 kicks** and all of the donations I receive will go to the **North Valley Community Foundation** to help them provide evacuation centers and long-term recovery efforts for the victims and families of the Camp Fire. Please sponsor me to help others. More info at onetribemartialarts.com
