# WHAT WE DO

---

MAHCO is a nonprofit professional organization whose members promote the health, safety, and welfare of Minnesota residents by advancing code enforcement education, training, and professional certification.

MAHCO actively assists in improving the efforts of state, county, municipal, and other political subdivisions. This is done to support individuals and organizations who are actively involved in and responsible for the enforcement of housing, environmental, land use, and other related codes.

# RENTAL INSPECTIONS

---

MAHCO supports minimum housing and safety standards for rental homes and apartment buildings and provides professional training for inspectors throughout the state.

# MEMBERSHIP BENEFITS

---

Quality, biannual trainings in the spring and fall seasons

Quarterly member newsletters with exclusive housing code information and job opportunities

Scholarship opportunities to resume-enhancing professional trainings

Access to an exclusive MAHCO social networking platform via LinkedIn

Support for professional certification work

Access to code enforcement employment opportunities nationwide

# PROMOTING STATEWIDE UNITY

---

MAHCO supports and promotes statewide housing and property maintenance codes. These codes have been received by cities throughout the state and encouraged by state legislators.

A uniform code, as promoted by MAHCO, creates uniformity across the state in:

Housing and Property Maintenance Regulation & Enforcement

Tenant and Landlord Rights & Responsibilities

Housing and Property Maintenance Training & Professional Certification
