

TAMPER

Our love for coffee inspired this pendant creation that brings both warmth and familiarity. Inspired by that brew of the Gods, our Tamper Pendant lends its shape from the coffee tamper. And much like the tamper that compresses ground coffee, our pendants are hand-laid in a custom mould in the same way.

Hand crafted from Glass Reinforced Concrete, Tamper is unadorned and finished with a timber finial and black trim.

Cleaning Instructions

Wipe with a clean cloth to remove any dirt or dust.  
Use only lint-free cloths as fibres may be torn off when cleaning the rougher surfaces of Tamper and Vaas.

For stubborn marks, wash with warm water and a mild soap, and rinse with warm water.
