

ARTISTIC EXPRESSIONS • membership

Artistic Expressions provides creative art programs for adults with a physical disability and/or acquired brain injury. We believe that everyone has an inherent desire to express themselves creatively.

Why become a member of Artistic Expressions?

There is *no fee* to become an AE member and your membership:

- supports our efforts to provide advocacy for the disabled/brain injured community;
- expands our opportunities to attract grant funding for art classes and events;
- gives you a voice regarding the classes and events we fund/sponsor and how we manage AE affairs.
