Situated on a sandy beach, this hidden gem provides the ultimate location for your wedding venue. With neighbouring accommodation, parking and facilities to seat 160 guests, everything one could possibly need for that special day is catered for at Le Papillon Restaurante & Beach Club.

The delights of this beach restaurant do not end with convenience. With a restaurant manager who exudes a passion for good food and drink, Joaquin Garcia Infantes makes it his mission to please the customer, adding a small sprinkling of personal touch and theatre to your dining experience.

Le Papillon Restaurante & Beach Club is a pioneer of the new gin craze that has swept across bars throughout the world; they use 'Sloane Sprays' which dust your basic gin and tonic with a unique flavour, maybe you'd like a hint of vanilla pod or perhaps juniper berries.

Neither does Le Papillon Restaurante & Beach Club disappoint with its food. The restaurant offers menus to suit every wedding budget providing flexibility with high quality dishes. Tempura prawns, roasted rack of lamb and homemade crème

brulee are some of Le Papillon's signature dishes.

Furthermore, Le Papillon Restaurante & Beach Club have teamed up with **Solwedding** who provide unique Photography & Film Services. All weddings that opt for both Le Papillon Restaurante & Beach Club and Solwedding Photography & Film will enjoy the most professional services as well as a generous discount. Solwedding also offers other special event or party Film & Photography services to create a special keepsake of your big day. Your wedding co-ordinator will be happy to give more detail of services offered.

With every box firmly ticked, Le Papillon is undoubtedly a spectacular venue to provide the perfect wedding.
