Taste THE good life

FRESH.
NATURAL.
HOME-GROWN.

Here on the AgVenture Trail, you'll experience the simple life in the heart of Idaho's countryside. The trail begins and ends in Historic Downtown Caldwell, winding along country roads through Marsing, Homedale and Parma. During the journey, you'll travel through organic farms and vineyards — where you can pick fresh produce, tend farm animals, learn to make cheese, dine on a world-class farm-to-fork meal...and so much more.

You'll experience the simple life right alongside the farmers and ranchers who live it everyday. Make it a day or an overnight stay. All along the way, you'll try new things and make new friends. You'll start out as a stranger and leave as family. You'll drive home feeling a little more connected to the land we all share.

Tour the AgVenture Trail... you'll arrive as visitors and leave as friends.
