Re: Public Records Request

Dear

This correspondence responds to your December 21, 2018 request for records from the San Dieguito Union High School District ("District") pursuant to the California Public Records Act ("PRA"; Gov. Code § 6250 *et seq.*).

Please note, the Government Code exempts certain categories of records from disclosure under the PRA and some of those exemptions may apply directly to your requests. (*See e.g.*, Gov. Code §§ 6254, 6255; Evid. Code, §§ 954; 1040(b)(2).) To the extent that the records you have requested fall within any of the categories covered by one or more of the exemptions, the District will not produce those records. Government Code section 6255 also allows a government agency to withhold records if it can demonstrate that, on the facts of a particular case, the public interest served by withholding the records clearly outweighs the public interest served by disclosure.

To the extent that any responsive records fall within any of the categories covered by one or more of the exemptions to the PRA, the District is not required to produce those records. Please also be advised that certain documents that may be responsive to your request may contain exempt or privileged information which may require the District to withhold or redact that information.

The District responds to your request as follows:

Request:

ALL donations in the form of cash and equipment and in kind services for the period of June 1, 2018 to December 31, 2018 for the following programs listed below:

- CCA / Baseball
- TP / Football, Baseball & Boys & Girls Lacrosse

- LCC / Football & Baseball
- SDA / Basketball & Baseball

District's Response:

The District has determined that it has non-exempt, non-privileged documents responsive to your request. A list of donations that have gone to the Board for approval, can be found in our Board agendas, posted on the following web page: <https://www.sduhsd.net/About-SDUHSD/School-Board/Meeting-AgendasMinutes/2018-2019/index.html>. Donations are listed under the Consent Agenda in Item 11A Gifts and Donations.

The District is aware of its obligation under Government Code section 6253.1 to assist you in making more focused and effective requests that reasonably describe an identifiable record or records. If, after reviewing this letter or its enclosures, you have any further questions or concerns, please contact our office directly.

Sincerely,

Tina Douglas
