Re: Complaint into Torrey Pines High School Baseball Program Dated Jan 3, 2017

Dear [REDACTED],

A letter dated March 1, 2017 addressed to you outlined the following:

- The above referenced complaint has characteristics that require that it follow uniform complaint procedures as is further described in district Policy 1312 et al.
- Outlined actions up to March 1, 2017 with respects to the above referenced complaint.
- Granted an extension of additional 60-days to complete the investigation bring the response due May 1, 2017.
- I also requested some acknowledgement in writing from the district that they agree with content of the letter as to the process.

To date, I have yet to receive anything in writing from the District. I understand that in order to complete the investigation you need an additional 30-days to write your report and the attorney will need an additional 15 days there after to complete their findings of facts. To this avail, I will grant an extension to complete the response to the Uniform Complaint to June 16, 2017.

Sincerely,

[REDACTED]
