I signed up for @DAZN_CA for NFL games. They better improve their picture quality DRASTICALLY by opening day or things will get very ugly...

What was the @nfl thinking? @DAZN_CA is a horrible terrible streaming service. Choppy, lagging, audio and video not synced. #bigmistake

I am outraged & disgusted with DAZN taking over the NFL Ticket rights. ITS NOT LIVE. 40 seconds delayed is an outrage. #nflsundayticket #dazn
