Today's Lesson

**Lost-and-Found**

Jesus was on a mission! He left Heaven and came to Earth in order to seek and save the lost...those without a relationship with God. Often, people who are lost don't realize they are lost. They think they are just living their lives. All the while, they never realize that they are really just wandering in a dark wilderness without a purpose.

Jesus told the Parable of the Lost Sheep to show how God feels when one of His children is lost. In today's lesson the kid's learn the lengths that God will go through to seek and save the lost.
