

No. 630-20

**Resolution of the
Tuolumne County Transportation Council**

Reallocating RSTP Exchange Funds to the County Department of Public Works from the
Tuolumne Park and Ride Project to the Jacksonville Road Bridge Rehabilitation Project

Whereas, in June 8, 2016, the TCTC adopted Resolution 545-16 allocating \$193,737 in Regional Surface Transportation Program (RSTP) Exchange funds to the County Department of Public Works for the Tuolumne County Park and Ride Project; and

Whereas, in FY19/20 the Tuolumne County Park and Ride Project was completed; and

Whereas, a balance of \$6,793.15 remains unexpended from that allocation; and

Whereas, on July 15, 2020, the County submitted a request for reallocation of the balances from the above identified projects, totaling \$6,793.15; and

Whereas, the County requests the funds be reallocated to the Jacksonville Road Bridge Rehabilitation Project; and

Whereas, reallocation of these funds will allow obligated funds to become de obligated and allocated to projects that can use them.

Now, therefore, be it resolved that the Tuolumne County Transportation Council does hereby reallocate \$6,793.15 in RSTP Exchange Funds Reserves from the County's Tuolumne Park and Ride Projects to the County's Jacksonville Road Bridge Rehabilitation Project.

Be it further resolved that the Tuolumne County Transportation Council makes this allocation on the condition that the County complies with the requirements for the use of RSTP Exchange funds.

Be it further resolved that this funding allocation incorporates the terms and conditions included in Master Funding Agreement No. MFA-CO-1 between the County of Tuolumne and TCTC.

Passed and Adopted by the Tuolumne County Transportation Council, the Regional Transportation Planning Agency for the Tuolumne County Region, State of California, at a regular meeting of the TCTC held on the 9th day of September 2020 by the following vote:
