Dear Council Members:

The purpose of this letter is to notify the Tuolumne County Transportation Council (TCTC) of our participation in the identification of the Unmet Transit Needs process. The Social Services Transportation Advisory Committee (SSTAC), as a standing committee of the TCTC, shall advise the TCTC on significant transit-related issues and annually participate in the identification of transit needs, including “Unmet Transit Needs that are reasonable to meet” as defined and adopted by the TCTC pursuant to resolution #515-15

The SSTAC, at its January 19, 2018 meeting concluded that, after a discussion, the attending SSTAC members, found that no unmet transit needs exist in the County.

Thank you for including the SSTAC in the annual unmet transit needs process.

Sincerely

Bill Tracy
Chairperson
Social Services Transportation Advisory Council
