

**STARTING  
JULY 10th:**

Tuolumne County Transit is replacing NextBus with our new **TRANSIT TRACKER** powered by DoubleMap.

# TUOLUMNE COUNTY TRANSIT TRACKER

Tracker provides arrival predictions to passengers based upon real time and not the scheduled time. This new technology gives passengers two different ways to access the predictions: by texting, or access from the DoubleMap TRACKER APP.

**Access TRACKER predictions in two different ways. Here's how it works!**

**SMS/TEXT** - Text your three digit bus stop number to 209-287-3233.

**DoubleMap TRACKER APP** - Download the DoubleMap App from the iPhone App Store or Google Play App Store.
