This Memorandum of Understanding ("MOU") is entered into by and between the Temecula Valley Unified School District (hereinafter "District") and the Temecula Valley Educators Association, (hereinafter "Association").

WHEREAS, the District will undertake a remodel of Vail Elementary School (VES), which will commence after the conclusion of the 2017/2018 school year; and

WHEREAS, the relocation will require the displacement of all of the certificated employees at VES; and

WHEREAS, the parties have agreed upon certain displacement and return rights to facilitate the transition during the VES remodel; and

NOW, THEREFORE, IT IS AGREED BY AND BETWEEN THE PARTIES AS FOLLOWS:

1. Displacement: All certificated staff at VES will be displaced in accordance with the following:
   a. *From February 15, 2018 to February 28, 2018, all current certificated staff at VES shall be permitted to participate in the voluntary transfer process for the remainder of the 2017/2018 school year and for voluntary transfer opportunities for the 2018/2019 school year in accordance with the November 13, 2017 Voluntary Transfer MOU.

   b. In April 2018, prior to conducting voluntary transfer interviews for 2018/2019 positions, the District shall provide all VES teachers with an involuntary transfer placement for the 2018/2019 school year. Transfer assignments will be determined as follows:
      i. Each VES teacher will submit “Appendix J” detailing their site and grade level preferences to which they would prefer to be transferred. The District will consider the request of the VES employee when making assignments.

   * Transfer Timeline Addendum (page 4)

   c. All VES teachers shall receive the following assistance with regard to the relocation:
      i. Packing materials to include cardboard boxes, tape, and shipping labels.
ii. Pickup/drop-off of classroom instructional materials.

iii. Personal items such as furniture, appliances, non-district electronics, etc., will not be allowed as transfer items unless pre-approved by site administration.

iv. In addition to removing all personal items, all classroom materials must be packed and ready for district pickup by 5:00 pm on Friday, June 8, 2018.

v. Three (3) days of release time will be provided to implement the transfer move. The scheduling of these release days requires prior approval from the site principal.

vi. In lieu of the release days noted above, unit members may elect to implement the transfer move outside of the workday and forgo the three (3) release days. In this instance, employees will be compensated at the non-instructional hourly rate of $39.00 per hour for up to twenty-one (21) hours. Employees must submit a timesheet reflecting time worked outside the work day.

vii. To allow for the development of a teacher release day calendar, all certificated staff shall inform site administration of their preference between the release days or extra duty hours noted above by May 1, 2018.

viii. Unused release days and/or non-instructional hours will be forfeited on September 4, 2018.

d. Teachers returning to VES upon reopening shall be provided with the same support outlined in section C i-vii of this agreement.

2. Return Rights: Upon the re-opening of VES, involuntarily placed VES teachers shall have the “first right of refusal” to return to VES. Returning VES teachers will be assigned to positions at VES where they will serve most effectively as determined by the site administrator. However, each teacher shall be placed in a position not more than two grade levels up or down from his/her 2017/18 position, except in cases which are determined necessary by the Superintendent or when agreed to by the unit member as referenced in Article 12.5.3.

3. Any site that receives four (4) or more transfers (voluntary or involuntary), due to the temporary influx of student transfers from VES, will be designated as a “Non- Bumping” site, and will be exempt from the normal application of seniority bumping rights for the
2019/2020 school year. If involuntary transfers are needed at a Non-Bumping site, the 2018/2019 transfer teachers shall be displaced first for the 2019/2020 school year. Once these teachers have been transferred, normal seniority bumping rules will apply.

4. The parties agree to meet by April 16, 2018 for the purpose of identifying Non-Bumping sites.

5. If VES is not scheduled to reopen at the start of the 2019/2020 school year, the parties agree to meet prior to the start of the 2019/2020 school year to negotiate additional impacts.

This MOU is unique unto its own circumstances and shall not be cited as precedent-setting by either party in the future for any purpose other than to implement the terms of the MOU itself.
