### Verdict

New and bang on trend, these Bites certainly packed a punch and were 'too spicy' for most of the 23% awarding 1 or 2 stars. Other Reviewers enjoyed the 'warming' chilli aftertaste and praised the 'crunchy' crumb and 'soft' inner texture, although Monterey Jack is a mild cheese and added little to the overall flavour. Interest in buying doubled after tasting, as this was considered a handy and affordable vegetarian option.

	★★★★★	19%	Great more veggie treats crunchy tasty has a kick to it . Can taste the sweetness of the veg fab These had a great heat to them even though it says 2 chillies, but all the different flavour you can still taste, they are crunchy and gooey Really tasty lots of veg in them nice for a snack party and a side dish
	★★★★☆	40%	Good spicy taste. Would be great with a raita dip Very spicy and quite heathy They were quite hot but nice left you mouth with the taste of spices
	★★★☆☆	17%	Different and would make a change. Very hot and spicy . Wasn't special, the outer shell wasn't crispy the inside looks like mush. The heat was good. Nice taste, otherwise uninspiring.
	★★☆☆☆	10%	Not a bad flavour but very spicy Very peppery The texture was a bit too soft and soggy on the outside. A good kick of chilli but not a lot of other flavour. A nice selection of vegetables
	★☆☆☆☆	13%	Too hot not pleasant to eat Not for me Much too strong spicy aftertaste mouth on fire after trying
