Verdict

Katsu Curry is bang on trend and its sweeter fruitier flavour, spiced with mild curry powder, has the potential for mainstream appeal. The Blue Dragon branding and practical bottle made this a convenient and tempting table sauce and for many Reviewers this was far tastier than it looked: 'a great way to liven up a meal'. 2 in 3 awarded at least 4 stars and were tempted to keep a bottle of this versatile Sauce in their store-cupboard.

	★★★★★	33%	Very nice. Would be nice with chicken. Tastes just like chip shop curry sauce Good taste and nice easy sauce to use. The flavour is great and it is good value for money
	★★★★☆	35%	Smooth and lovely taste, authentic and very good quality Good idea. Lovely flavour. Texture was a bit gloopy. Really nice! Good flavour and good quality! Great for dipping or cooking with
	★★★☆☆	16%	Not quite what I expected but ok. Good but too expensive Very sweet, more like a mango chutney than curry
	★★☆☆☆	10%	Didn't like the colour it looked quite artificial - it left a bit of an after taste I don't really get what it is. It's weird. I suppose it tastes ok but I don't really understand when I would eat it. Weird Tastes more like mango chutney. Ok but nothing special.
	★☆☆☆☆	6%	Horrible colour. Gloopy consistency. Looks unappetising. Too sweet. A bit like mango chutney with a very small hint of curry. Awful colour and consistency. Too jelly like to be a good sauce. Expect better from Blue Dragon. Disappointing flavour and aftertaste is horrible Floppy, artificial, not very nice
